# OVERVIEW

---

Presented by Shestakov Yacht Sales, the 51 from HYLAS is a multi-role sailing yacht engineered for relaxed, capable passages as a proven cruising sailboat. The hull is a fiberglass monohull penned by German Frers, and propulsion is provided by a reliable Yanmar inboard diesel for efficient motoring. For individualized assistance and to learn more, contact broker Andrey Shestakov.

## Selecting a 51

---

Deciding on the right yacht begins with defining what matters most to you. The 51 from HYLAS offers proportions many owners appreciate: an LOA of 50 ft (15.32 m) combined with a 15 ft (4.7 m) beam that delivers substantial interior volume and steady behavior at sea. Note the draft of 22.42 ft (6.83 m) when planning stops—confirm marina slips and anchorage depths against your cruising plans. If your aim is a sailing yacht built for pleasant family passages, this model is squarely aimed at the cruising sailboat market.

## Features of the Model

---

- Naval architecture by German Frers; interior design by HYLAS.
- Single-hull construction using a fiberglass hull paired with a fiberglass deck.
- Propulsion: 1x Yanmar inboard diesel engine.
- Performance profile: typical cruise around 7.2 kn (8.29 mph) with a top speed near 8.2 kn (9.44 mph).
- Accommodation plan: sleeps 4 with 2 heads and ample tankage to support extended cruising.

## Technical Specifications

---

- Category: sail yacht; Subcategory: cruising sailboat; Hull material: fiberglass.
- LOA: 50 ft (15.32 m)
- Beam: 15 ft (4.7 m)
- Draft (max): 22.42 ft (6.83 m)
