OVERVIEW

Presented by Shestakov Yacht Sales and broker Andrey Shestakov, the ISLAND PACKET 380 is a sail yacht designed for prolonged voyaging as a dedicated cruising sailboat. Measuring 39 ft (12.06 m) overall with a 13 ft (4.01 m) beam, it is driven by a single inboard Yanmar diesel and built with a fiberglass and plastic hull and a fiberglass deck to offer a sensible combination of onboard room, dependable systems, and straightforward maintenance.

Selecting a 380

If your priority is a manageable 39-foot platform with notable tankage and uncomplicated systems, the ISLAND PACKET 380 is an excellent option. The single inboard Yanmar diesel simplifies operation and upkeep, while the single head plus generous 170-gallon water and 85-gallon fuel capacities let you stay offshore longer between resupply stops. The 13 ft beam increases interior volume and contributes to deck stability, enhancing comfort for extended cruising and liveaboard use.

Features of the Model

- Single inboard Yanmar diesel provides reliable auxiliary propulsion and ease of servicing (Diesel fuel)
- One head fitted for essential onboard sanitation and convenience
- Fiberglass deck constructed for longevity and low-maintenance care
- Hull and deck dimensions that support livability and seaworthiness: 39 ft LOA and 13 ft beam
- Large-capacity tanks: 170 gal water and 85 gal fuel for extended range and autonomy
- Hull built to fiberglass and plastic standards to ensure long-term durability

Technical Specifications

- Builder: ISLAND PACKET
- Model: 380
- Category: sail yacht
- Subcategory: cruising sailboat
- Hull category: fiberglass and plastic
- LOA: 39 ft (12.06 m)
- Beam: 13 ft (4.01 m)
- Engines: 1 × Yanmar
- Engine type: Inboard
- Engine fuel: Diesel
- Heads: 1
- Water capacity: 170 gal
- Fuel capacity: 85 gal
- Deck material: Fiberglass
- Hull material: fiberglass and plastic
