OVERVIEW

The 295 Sport Yacht from MONTEREY is a compact motor yacht in the cruiser class built on a sturdy fiberglass and plastic hull. Measuring 29 ft (8.84 m) overall with a 9 ft (2.79 m) beam, it's sized for easy handling and short coastal breaks. Shestakov Yacht Sales represents the model; broker Andrey Shestakov is available to assist with selection and purchase.

Selecting a 295 Sport Yacht

Opt for the 295 Sport Yacht if your priority is uncomplicated ownership paired with a single inboard Mercruiser power unit, sensible proportions, and the basic creature comforts required for weekend cruising. As a motor yacht categorized as a cruiser, it delivers practical functionality and straightforward maintenance thanks to its fiberglass and plastic hull and fiberglass deck. Contact Andrey Shestakov at Shestakov Yacht Sales to match this model to your boating plans.

Features of the Model

- Propulsion: Single inboard Mercruiser engine running on gas/petrol for simplified operation and serviceability.
- Construction: fiberglass and plastic hull combined with a fiberglass deck to provide durability with minimal upkeep.
- Dimensions: LOA 29 ft (8.84 m), beam 9 ft (2.79 m) for compatibility with a wide range of slips and storage options.
- Draft range: 7.928–29.254 ft (2.4166–8.9166 m) as specified.
- Onboard amenities: 1 head; fuel capacity 90 gal; water capacity 30 gal.
- Classification: motor yacht within the cruiser class.

Technical Specifications

Questions and Answers

Q: What type of yacht is the 295 Sport Yacht? A: It is a motor yacht situated in

the cruiser segment and constructed on a fiberglass and plastic hull. This design prioritizes a mix of **comfort** , **utility** , and **durability** .

Q: What are the key dimensions and draft? A: The **LOA** measures 29 ft (8.84 m) and the **beam** is 9 ft (2.79 m). The **draft** is specified between 7.928 ft (2.4166 m) and 29.254 ft (8.9166 m).

Q: What is the engine setup and fuel type? A: The yacht is fitted with 1 **engine** by Mercruiser, configured as an **Inboard** and running on **Gas/Petrol** , offering reliable propulsion with straightforward maintenance.

Q: What onboard capacities and amenities are specified? A: The layout includes 1 **head** , a **fuel capacity** of 90 gal, and a **water capacity** of 30 gal—suitable for day trips and short overnight cruises.

Q: How do I purchase through Shestakov Yacht Sales? A: Contact **Andrey Shestakov** at **Shestakov Yacht Sales** to review and order the 295 Sport Yacht by MONTEREY, confirm technical details, and arrange brokerage and delivery services.

Owner Experience Review

Owners commonly use the 295 Sport Yacht from MONTEREY for family outings, weekend and overnight trips, as well as for dayboating and entertaining guests. The cockpit's wraparound seating and wet bar receive frequent praise, and one owner summed up their enthusiasm: 'We are loving the boat! Love the design, the motor, and her looks. She has definitely been a head turner.' Accommodation typically includes a mid cabin with a convertible dinette plus a stand up head with shower that sleeps 2-4, and many examples come equipped with air conditioning—though a number of owners note raw water or cooling system concerns with their AC units.

On the water, the boat is described by owners and brokers as delivering a

stable, spacious ride attributed to the 9'2" beam and a modified V hull form. Top-end and cruise speeds vary by engine and prop selection; listings often cite about a 33 knot cruise, while one owner reported, 'Best speed I can get is 35 mph, tach will not go past 4500 RPM.' Docking is frequently made easier by a bow thruster, which several owners indicate was fitted as standard on their boats.

Routine maintenance focuses on regular outdrive servicing and impeller replacement, though some vessels have required more substantial periodic work such as replacement of manifolds, risers, and catalytic converters. Engine access is through an electric hatch under the cockpit, providing practical space for routine servicing. Forum discussions also point to instances where the air conditioning blows warm air if the raw water pump is not operating effectively.

Pros and Cons

- Stable, roomy ride from the 9'2" beam and modified-V hull.
- Cockpit wraparound seating and wet bar suit day boating and entertaining.
- Bow thruster is commonly fitted and makes docking easier.
- Some owners report limited WOT/RPM and prop/drive setup troubleshooting.
- Air conditioning on some boats has raw-water or cooling issues.
- Routine outdrive service and impeller replacement demand regular attention.
