## OVERVIEW

---

The 55 Super Sport from OCEAN YACHTS marries a fish-focused, sport fisherman layout with the roomy accommodations and seaworthiness expected of a bluewater motor yacht, all constructed on a resilient fiberglass construction platform. Offered through Shestakov Yacht Sales with broker Andrey Shestakov, it's an attractive option for those who want twin inboard diesel propulsion and ample tankage in a tried-and-true 55-foot design.

## Selecting a 55 Super Sport

---

Choose the 55 Super Sport if you value:

- A layout engineered for serious fishing—the purposeful characteristics of a sport fisherman design—combined with the cruising amenities of a motor yacht platform.
- Twin inboard Detroit Diesel power for dependable performance and straightforward maintenance.
- Substantial fuel and freshwater capacities to extend your range and reduce the need for frequent stops.
- A dependable fiberglass build and fiberglass deck that deliver longevity and simpler upkeep.

At Shestakov Yacht Sales, Andrey Shestakov will match your cruising and fishing objectives with the right example of the 55 Super Sport and support you through every step, from selection to final closing.

## Features of the Model

---

- Dimensions that offer both presence and practicality: 55 ft LOA paired with a 16 ft beam for generous deck and interior volume.

- Inboard diesel propulsion: twin Detroit Diesel engines running on diesel fuel for reliable, familiar operation.
- Solid construction pedigree: fiberglass hull category with a fiberglass deck for strength and low maintenance.
- Comfortable accommodations: three heads to support extended passages and onboard living.
- Tankage designed for long trips: 1,000 gallons of fuel and 200 gallons of fresh water for extended autonomy.

## Technical Specifications

---
