OVERVIEW

Discover the 21 from OTHER — an agile motor yacht designed around a functional center-console layout and built on a resilient fiberglass hull. Shestakov Yacht Sales, represented by broker Andrey Shestakov, stands ready to assist with selection, customization, and acquisition of this adaptable 21 foot platform.

Selecting a 21

The 21 is tailored for boaters who want a compact, easily managed vessel that performs well for fishing, family outings, and short coastal trips. Measuring 21 ft (6.43 m) overall with an 8 ft (2.44 m) beam, it delivers useful deck area while remaining trailer-friendly. A single Yamaha outboard simplifies ownership and service, and the practical center-console design provides full 360-degree access for fishing and efficient deck layout. Constructed with a fiberglass build and framed as a motor-yacht platform, it represents an approachable choice for first-time buyers or as a convenient runabout for experienced owners.

Features of the Model

- Purpose-built center-console layout that allows unobstructed passage around the deck
- Single Yamaha outboard (Gas) for simple upkeep and reliable thrust
- Well-proportioned dimensions: LOA 21 ft (6.43 m); Beam 8 ft (2.44 m)
- Fuel capacity 50 gal and freshwater capacity 25 gal to support flexible day trips
- Robust fiberglass hull category with a fiberglass deck for durability and low maintenance
- Compact motor-yacht footprint suited to active coastal lifestyles

Technical Specifications

- Builder: OTHER
- Model: 21
- Type: motor yacht / center console
- Hull: fiberglass
- Deck material: Fiberglass
- LOA: 21 ft (6.43 m)
- Beam: 8 ft (2.44 m)
- Engines: 1
- Engine manufacturer: Yamaha
- Engine type: Outboard
- Engine fuel: Gas
- Fuel capacity: 50 gal
- Water capacity: 25 gal

Pricing and Ordering

Engage directly with Shestakov Yacht Sales and broker Andrey Shestakov to check current availability, review specification options, and place an order for the 21 by OTHER. We offer personalized advice on optimal configurations for your intended use, manage the paperwork, and coordinate delivery logistics. Reach out to receive up-to-date pricing, expected lead times, and guidance on the next steps.

Questions and Answers

Q: What type of boat is the 21? A: It is a motor yacht arranged in a center-console configuration and built with a durable fiberglass hull.

Q: What are the key dimensions of the 21? A: The **LOA** measures 21 ft (6.43 m) and the **Beam** measures 8 ft (2.44 m), providing a stable and efficient profile for day cruising.

Q: What powers the 21? A: It is driven by a single **Yamaha Outboard** running on **Gas**, which keeps ownership and servicing straightforward.

Q: What are the onboard capacities? A: The **Fuel capacity** is 50 gal and the **Water capacity** is 25 gal, suitable for full-day outings.

Q: Who can help me purchase the 21 by OTHER? A: Shestakov Yacht Sales and broker **Andrey Shestakov** will assist with selection, pricing, and delivery to ensure a smooth purchase process.

Owner Experience Review

Publicly available information about the 21 from OTHER is limited and varies in consistency. In many online entries, "21" functions as a generic length identifier used across different builders rather than representing one distinct model, and our search did not reveal forum threads or owner groups documenting long term experiences with a specific OTHER 21.

When the 21 appears in charter listings, it is commonly used for daytime excursions: several online descriptions classify these boats for day-use and one listing records "Max Cruising guests: 9." A number of 21 ft "Other" charter entries also list dayboat layouts with 0 cabins and no berths, emphasizing comfort for short trips rather than overnight accommodation.

We did not uncover owner or expert reports that detail sea keeping behavior, handling characteristics, or cruising speeds attributable to a single, identifiable 21 design, nor did we find owner-maintained service logs or recurring defect reports tied to a distinct model. Multiple databases and aggregated listings frequently show "Other" or "Other 21" in builder/engine fields, indicating

data-entry or aggregation inconsistencies, so assigning precise mechanical specifics to the OTHER 21 is not possible based on available public records.

Pros and Cons

- Frequently listed in charter and day use contexts across online entries.
- An example charter listing notes “Max Cruising guests: 9” for this 21 ft category.
- Several 21 ft “Other” charter entries show dayboat arrangements with 0 cabins and no berths.
- There are no consistent owner or expert accounts that describe sea keeping, handling, or cruise speed for a singular OTHER 21 model.
- The designation “21” is often used simply as a length field across multiple builders, which prevents attributing specific on water behavior to one definitive 21 design.
- No owner maintenance logs or patterns of recurring faults were identified; occurrences of “Other 21” in aggregated listings frequently reflect ambiguity in builder or engine fields.

Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
21	21' 0" (6.43 m)	8' 0" (2.44 m)			
LT26 Carbon Limousine	24' 0" (7.50 m)	8' 0" (2.60 m)	2' 9" (0.85 m)	26 kn / 35 kn	2.8
