## OVERVIEW

---

The F65 from PRINCESS is an elegant motor yacht positioned within the broad category of motor yachts. Built on a sturdy fiberglass and plastic hull and driven by twin MAN inboard diesel engines, it delivers reliable performance in the 25–31 knot band. Offered through Shestakov Yacht Sales with broker Andrey Shestakov, the F65 combines speed, fuel range, and onboard comfort ideal for extended family cruising.

## Selecting a F65

---

Opting for the F65 places emphasis on a harmonious mix of seakeeping and liveaboard convenience. The design sleeps up to 10 guests and includes 4 heads, while generous tanks—1,083 gal of fuel and 212 gal of water—support longer passages. With a typical cruising pace of 25 knots (28.77 mph), this motor yacht represents a strong choice for owners who want efficient cross-coast runs, weekend outings, and extended itineraries, all backed by the craftsmanship of PRINCESS and the durability of a fiberglass and plastic hull.

## Features of the Model

---

- Versatile size profile: 65 ft LOA with a 16 ft beam, providing responsive handling and spacious internal volume.
- Performance range: designed to cruise at 25 kn and reach up to 31 kn (28.77–35.67 mph) powered by twin MAN inboard diesels.
- Category clarity: classified as a motor yacht within the broader motor yachts segment.
- Construction: hull constructed of fiberglass and plastic with a fiberglass deck for durability.
- Capacities aligned for cruising: large fuel reserves of 1,083 gal and a water

capacity of 212 gal to support extended trips.

- Liveaboard practicality: configured to accommodate up to 10 people with 4 heads for onboard comfort.
- Brand and support: carries the pedigree of PRINCESS and is marketed by Shestakov Yacht Sales.

## Technical Specifications

---

- Builder: PRINCESS
- Model: F65
- Classification: motor yacht within the motor yachts category
- Hull: fiberglass and plastic; Deck: Fiberglass
- LOA: 65 ft (19.81 m)
- Beam: 16 ft (5.11 m)
- Draft: min 17.487 ft (5.33 m); max 18.045 ft (5.5 m)
- Engines: 2 x MAN; Type: Inboard; Fuel: Diesel
- Cruise speed: 25 kn (28.77 mph)
- Max speed: 31 kn (35.67 mph)
- Accommodations: up to 10
- Heads: 4
- Fuel capacity: 1,083 gal
- Water capacity: 212 gal

## Pricing and Ordering

---

For up-to-date pricing, current availability, and personalized purchase options for the F65, please contact Shestakov Yacht Sales. Broker Andrey Shestakov is available to review specifications, provide market comparisons, coordinate surveys, assist in negotiations, and arrange final delivery details.

## Questions and Answers

---

- Q: What is the yacht's category and builder? A: The F65 is presented as a motor yacht in the motor yachts segment, constructed by PRINCESS with a hull classified under fiberglass and plastic. Key identifiers include the **type** , **builder** , and hull **category** .
- Q: What are the main dimensions and draft? A: This model measures **LOA** 65 ft (19.81 m) with a **beam** of 16 ft (5.11 m) and a **draft** ranging from 17.487 to 18.045 ft (5.33–5.5 m).
- Q: What engines power the yacht and how fast does it go? A: Twin **MAN** inboard engines running on **diesel** propel the yacht. Typical operation yields a **cruise speed** of 25 kn (28.77 mph) and a **max speed** of 31 kn (35.67 mph).
- Q: How many people can stay on board and how many heads are there? A: Accommodation arrangements allow for up to **10** guests and provide **4** heads, enabling comfortable stays for family and visitors.
- Q: How do I purchase or list an F65 with Shestakov Yacht Sales? A: Contact **Andrey Shestakov** at **Shestakov Yacht Sales** for assistance with availability, pricing, survey coordination, and delivery planning for the F65.

## Owner Experience Review

---

Owners are drawn to the F65 from PRINCESS for its suitability to family cruising and entertaining. The four-cabin arrangement easily accommodates eight guests, while professional reviews frequently note the “really beautiful boat” finish, thoughtful storage solutions, and clever cabin layouts. Interior spaces feel open and bright, aided by expansive hull windows, and the full-beam, midships owner's stateroom includes an almost full-width bathroom; three of the four cabins include ensuite facilities. Deck amenities such as a roomy, sociable flybridge with wetbar, barbecue, and multiple seating/dining zones complement the main-deck aft-galley, while foredeck sunpads and a hi-lo

bathing platform make the boat well suited to weekend outings and day trips.

Underway, reviewers describe the F65 as secure and nimble, delivering confident handling in calm to moderate sea states and during close-quarters manoeuvres. Motor Boat & Yachting's test recorded a 32-knot top speed, a 21-knot cruising speed, a 252 nm cruising range, and a 65 dB noise level on trial; twin MAN V8 engine options (1200/1300) support coastal passages, with common real-world top speeds reported in the 30–33 knot band. For ongoing care, Princess Connect telemetry is standard equipment for remote monitoring and maintenance alerts, while servicing follows MAN-authorized intervals and routine diesel engine maintenance requirements. Community estimates for annual operating expenses for a Princess F65 are around ~ US\$150k–€116k, though actual costs depend heavily on usage patterns and crewing arrangements.

## Pros and Cons

---

- Four-cabin arrangement accommodating up to eight guests, offering a bright, airy interior and a full-beam owner's suite.
- Expansive, sociable flybridge paired with an aft-galley, wetbar, and BBQ ideal for entertaining.
- Assured handling with a roughly 32-knot top speed and 21-knot cruise; Princess Connect supports proactive maintenance.
- Typical yearly operating cost estimates fall near ~ US\$150k–€116k, variable with usage and crew.
- MAN V8 powerplants require MAN-authorized service and standard diesel maintenance schedules.
- Handling praise is most consistent for calm to moderate conditions, so expectations should be tempered in heavier seas.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/ Max)	Gross Tonnage
F65	65' 0" (19.81 m)	16' 0" (5.11 m)	17' 6" (5.33 m) – 18' 1" (5.50 m)	25 kn / 31 kn
