# OVERVIEW

The 325 OS OFFSHORE by PURSUIT BOATS is a multi-role motor yacht that combines the practicality of a capable cruising platform with a seaworthy hull built from fiberglass. At Shestakov Yacht Sales, broker Andrey Shestakov stands ready to assist you in choosing the right specification and guiding you through ordering to suit your boating plans.

## Selecting a 325 OS OFFSHORE

If your objectives include comfortable weekend escapes and confident coastal runs, the 325 OS OFFSHORE offers a balanced mix of size, onboard facilities, and payload capacity. Measuring 34 ft (10.36 m) LOA, fitted with a single head, and carrying 300 gal of fuel plus 30 gal of fresh water, it is well-suited for both day trips and extended outings. For buyers who prioritize the construction pedigree of PURSUIT BOATS and want a sturdy motor yacht that doubles as a comfortable cruiser, this model deserves careful consideration.

## Features of the Model

• Built on a durable fiberglass hull with a fiberglass deck to minimize upkeep and provide long-term resilience.
• Hull designer: Pursuit; hull configuration: Other.
• One onboard head to support comfort on multi-hour and overnight passages.
• LOA 34 ft / 10.36 m to strike a compromise between interior volume and manageable handling.
• Capacities include a 300 gal fuel tank and 30 gal of fresh water for longer range and autonomy.

## Owner Experience Review

Owners regularly deploy the 325 OS OFFSHORE on offshore trips in pursuit of mahi and tuna, while also relying on the boat for family overnight stays and weekend cruises thanks to a comfortable V-berth and a practical mid-berth. A typical owner comment captures the sentiment plainly: "I am a very happy owner of a 2016 OS 325 and just love the boat!" As delivered by PURSUIT BOATS, the boat finds a pragmatic middle ground between fishing functionality and short-stay comfort.

During sea trials, reviewers report the boat felt stable, turned confidently, and answered throttle changes promptly. Observers note it handles short, choppy conditions well and can skim over 2-ft chop without undue fuss. Typical cruise speeds fall around 30–31 kt, with anecdotal reports of approximately 30.2 mph at 4000–4200 rpm, and peak speeds reaching the mid-40s mph (roughly 46–48 mph) in favorable conditions.

Inside, reviewers describe the forward cabin as spacious with near 6'2" of headroom, while the galley—equipped with a refrigerator, microwave, and Kenyon cooktop—adequately supports weekend liveaboard needs. A common critique is modest headroom in the head compartment. Everyday conveniences include foldaway cockpit seating, a tackle/entertainment center, and easily accessed battery, bilge, and service areas. Owners have reported a

few service issues—fish box drains that required rerouting to remove an air-lock, and deck-hatch drain leaks resolved by adding a gasket. PURSUIT BOATS outfits the 325 OS OFFSHORE with Yamaha outboards, and used listings commonly reference routine 300–400-hour maintenance; access to mechanical components is through an aft in-deck/transom hatch and a cabin access door, with later model updates improving machinery-space accessibility.

## Pros and Cons

• Confident, stable ride in short, choppy seas with assured handling and quick throttle response.
• Versatile layout supports offshore fishing and family overnights with a V-berth, mid-berth, and foldaway cockpit seating.
• Predictable performance with an easy 30–31 kt cruise and a mid-40s-mph top end reported.
• The head compartment could use more headroom.
• Some boats showed fish box drain air-lock/tee routing issues that owners resolved by rerouting hoses.
• Deck-hatch drain seals may need an added gasket to prevent leaks, per owner fixes.
