OVERVIEW

The 32 Center Console from REGULATOR is a purpose-built motor yacht executed in a practical center console configuration and set on a stout fiberglass hull. Twin Mercury outboards paired with a single, well-appointed head create a blend of serious fishing capability and comfortable family day-boat accommodations. Marketed globally by Shestakov Yacht Sales with broker Andrey Shestakov, this 32-foot design serves as a reliable platform for a variety of on-water activities.

Selecting a 32 Center Console

When you're weighing a 32-foot center console that offers a generous 10-foot beam, large fuel tanks, and twin outboard power, the 32 Center Console merits strong consideration. Its 310-gallon fuel reserve enables extended excursions offshore, and the inclusion of a single head provides added guest convenience. For tailored advice, detailed specifications, or availability, contact Andrey Shestakov and the team at Shestakov Yacht Sales directly.

Features of the Model

- A center-console deck layout that enables unimpeded 360-degree movement around the cockpit
- Twin Mercury outboard propulsion for dependable power and straightforward maintenance
- One enclosed head for improved comfort on full-day outings
- A sturdy fiberglass hull paired with a fiberglass deck surface
- A 310-gallon fuel capacity to support longer runs and active days on the water
- Key dimensions engineered to balance ride quality, onboard space, and

handling on a 32-foot platform

Technical Specifications

- Builder: REGULATOR
- Model: 32 Center Console
- Type: motor yacht
- Subcategory: center console
- Hull: fiberglass construction
- Deck: Fiberglass
- LOA: 32 ft (9.78 m)
- Beam: 10 ft (3.18 m)
- Draft (min/max): 6.562 ft / 8.749 ft (2 m / 2.6666 m)
- Engines: 2 x Mercury, Outboard, Gas
- Fuel capacity: 310 gal
- Heads: 1

Pricing and Ordering

For up-to-date pricing, available build options, and estimated delivery schedules for the 32 Center Console from REGULATOR, reach out to Andrey Shestakov at Shestakov Yacht Sales. Our brokerage will handle specifications, paperwork, and logistics to facilitate a smooth purchase process.

Questions and Answers

Q: What kind of boat is the 32 Center Console? A: The 32 Center Console is a motor yacht arranged as a center console built on a fiberglass hull by REGULATOR. This describes its **type**, **center console** layout, and **hull** construction.

Q: What are the main dimensions? A: The **LOA** measures 32 ft (9.78 m), the **beam** is 10 ft (3.18 m), and the **draft** varies from 6.562 to 8.749 ft (2 to 2.6666 m).

Q: What engines power the boat? A: It is fitted with **2** Mercury **Outboard** engines that run on **Gas** , providing a balance of performance and serviceability.

Q: How much fuel does it carry? A: The **fuel capacity** is 310 gal, which supports full-day cruising or extended fishing trips.

Q: Is there a head onboard? A: Yes, the model includes **1 head** to increase comfort on longer outings.

Owner Experience Review

Owners often select the 32 Center Console from REGULATOR for its serious offshore fishing capability. According to forum commentary, it carries load better than smaller models, manages larger sea states than a 26, and significantly extends offshore range compared with more compact center consoles. Independent sea trials in a 20 knot northeasterly described the ride as calm and predictable, with an economical, quiet cruise of about ~34 mph on twin Yamaha 250s, highlighting the craft's strong design and build.

In day-to-day operations many owners split time between intense fishing sessions and family-oriented day trips. The console is large enough to accommodate a full-size head and shower, and the helm/head compartment is roomy enough for mixed fishing-and-leisure crews. The arrangement prioritizes fishing—ample cockpit space, sizable livewell capacity, and useful fishboxes—so while fishability is excellent, shade and true lounge areas are limited; several owners point out that there is an in-console head but no substantial sheltered space to escape the sun.

Common ownership notes reflect typical high-end center-console maintenance: routine outboard, trim tab, and steering upkeep, along with occasional repowers and electronics refreshes. On older examples some owners have reported moisture intrusion around T-top and console fasteners—wet foam and even a faint fuel odor during deck/T-top work—and encountered fuel-tank pitting that necessitated tank replacement. A few owners also trailer their 32 for seasonal relocations, citing examples of towing roughly 70 miles twice yearly.

Pros and Cons

- Pro: Offshore capability with a calm, predictable ride; carries weight well and handles bigger seas than smaller models.
- Pro: Fishing first layout with a roomy cockpit, big livewell capacity, and practical fishboxes.
- Pro: Large console with a full size head and shower supports mixed fishing and family day trips.
- Con: Limited shade and lounge space; there's an in console head but no real place to get out of the sun.
- Con: Reported deck/core moisture risk around T top and console bolt areas on some older boats.
- Con: Aging fuel tanks can show corrosion and pitting, leading some owners to replacements during refits.

Comparison with Other Models

| Model | LOA | Beam | Draft | Speed (Cruising/Max) | Gross Tonnage |
|-------------------|-----------------|-----------------|------------------------------|----------------------|---------------|
| 32 Center Console | 32' 0" (9.78 m) | 10' 0" (3.18 m) | 6' 7" (2 m) – 8' 9" (2.67 m) | | |

| | | | | | |
