## OVERVIEW

---

Experience Italian craftsmanship and sharp planing performance aboard the Diva 82' from RIVA YACHT—a sophisticated motor yacht built on a fiberglass platform. For tailored advice and expert brokerage service, contact Andrey Shestakov and the team at Shestakov Yacht Sales.

### Selecting a Diva 82'&#39;

---

Opting for the Diva 82' places emphasis on speed, Italian styling, and onboard comfort. Measuring 81 ft (24.91 m) LOA with a 20 ft (6.08 m) beam and a planing hull form, she offers a confident ride at a cruising pace of 27 knots and a top end near 30.5 knots. The layout accommodates up to 8 people on board, provides sleeping space for 6 guests, includes 4 heads, and offers crew quarters for 2—making her suitable for extended weekend escapes or nimble coastal voyages.

### Features of the Model

---

- Signature styling by Officina Italiana Design (Mauro Micheli & Sergio Beretta), with interiors by Officina Italiana Design
- Planing hull for swift passages; 27 kn cruise (31.07 mph) and 30.5 kn max (35.1 mph)
- Twin inboard MAN engines for reliable, efficient propulsion
- GRP decks and a fiberglass hull for strength-to-weight balance and ease of upkeep
- Generous tankage: 1,690.7 gal fuel and 290.59 gal water for flexible cruising windows
- 85.78 GT for a spacious feel and thoughtful volume distribution

## Technical Specifications

---

- Length overall (LOA): 81 ft (24.91 m)
- Beam: 20 ft (6.08 m)
- Draft (max): 6.726 ft (2.05 m)
- Hull configuration: Planing
- Hull material: fiberglass
- Deck material: GRP
- Hull designer: Officina Italiana Design (Mauro Micheli & Sergio Beretta)
- Interior designer: Officina Italiana Design
- Engines: 2 × MAN, Inboard
- Cruising speed: 27 kn (31.07 mph)
- Maximum speed: 30.5 kn (35.1 mph)
- Gross tonnage: 85.78 GT
- Accommodation: up to 8; sleeps 6; heads: 4
- Crew: 2 in 2 cabins
- Fuel capacity: 1,690.7 gal
- Water capacity: 290.59 gal

## Pricing and Ordering

---

To obtain current pricing, check availability, or arrange a private inspection of the Diva 82', please reach out to Andrey Shestakov at Shestakov Yacht Sales. Our brokerage team will manage specifications, coordinate surveys and sea trials, and guide negotiations through to a seamless closing.

## Questions and Answers

---

- Q: What defines the Diva 82' within the motor yacht segment? A: It combines a planing hull, signature Officina Italiana Design lines, and twin MAN inboard

engines to provide a blend of speed, elegant styling, and comfortable accommodation across an 81 ft platform.

- Q: What are the key performance numbers? A: **Cruising speed** is 27 kn (31.07 mph) and **maximum speed** is 30.5 kn (35.1 mph), driven by twin **MAN** inboard engines and a planing-hull configuration.
- Q: How many people can stay aboard comfortably? A: **Accommodation** is for up to 8 on board, with **sleeps** for 6, **heads** : 4, and **crew** facilities for 2 across 2 cabins.
- Q: What are the construction materials? A: **Hull material** is fiberglass with **deck material** in GRP—durable, low-maintenance components suited to active use.
- Q: How do I buy through Shestakov Yacht Sales? A: **Contact** Andrey Shestakov to discuss specifications, inspections, and offer strategy; our brokerage handles each step to secure your Diva 82' by RIVA YACHT.

## Owner Experience Review

---

Owners are drawn to the Diva 82' from RIVA YACHT for the way she pairs owner-operator practicality with family-oriented liveability. The four-cabin plan—full beam owner's suite, VIP, and two doubles—comfortably accommodates eight guests plus crew, while expansive glazing floods the saloon and cabins with natural light and offers broad water views. On deck, the roughly 40 m<sup>2</sup> flybridge and the beach-club with fold down lateral terraces function as primary social zones; the flow and seating arrangements make day cruising and entertaining effortless.

Performance impressions match what owner-operators expect: agile handling, straightforward helm ergonomics, and effective stabilisation (fin stabilisers with an optional gyro) that keep sea passages calm and comfortable. Reported top speeds in the high-20s to low-30s (roughly 29–31 knots) vary with MAN V12 1,800/1,900 hp choices and load condition, while fuel consumption during

trials has been recorded at approximately 20 L per mile when cruising. Ownership considerations are premium in nature: the MAN V12s are backed by a wide service network but major V12 maintenance carries significant cost; the engine room is described as compact yet serviceable for routine tasks; and Riva's bespoke finishes and high-end materials can increase both parts costs and time in specialist yards. Early charter interest in the Mediterranean and Dubai further highlights the model's adaptability for commercial hire.

## Pros and Cons

- Quiet, well-insulated ride keeps noise and vibration low even at speed.
- Family-friendly four-cabin layout (full-beam owner, VIP, two doubles) suits eight guests plus crew.
- Expansive outdoor spaces—~40 m<sup>2</sup> flybridge and beach club with fold-down lateral terraces—excel for entertaining.
- Premium finishes and bespoke details increase repair costs and require specialist yards.
- MAN V12 major services are expensive despite strong global support.
- Dual stabilisation setups (fins plus optional gyro) add system complexity and maintenance overhead.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/...	Gross Tonnage
Diva 82'	81' 0" (24.91 m)	20' 0" (6.08 m)	6' 9" (2.05 m)	27 kn / 30.5 kn	85.78
