OVERVIEW

The 4600 Sports Yacht from Riviera is a modern motor yacht in the class category featuring a fiberglass hull and designed to deliver comfortable cruising for up to six people. Listed by Shestakov Yacht Sales with broker Andrey Shestakov, it pairs robust diesel propulsion with well-proportioned interior and exterior spaces for discerning owners.

Selecting a 4600 Sports Yacht

Opting for the 4600 Sports Yacht puts emphasis on a practical footprint and dependable driveline. Measuring 46 ft (14.02 m) LOA with a 15 ft (4.7 m) beam, it balances onboard volume with manageable handling characteristics. Twin inboard Volvo diesel powerplants ensure efficient and dependable performance whether you're family cruising or hosting guests. With berths for six, two heads, and substantial fuel and water tanks, this model is well-suited to short getaways and extended passages. Shestakov Yacht Sales and broker Andrey Shestakov will assist in matching specific inventory and configurations to your schedule and preferences.

Features of the Model

- Twin inboard Volvo diesel engines (2) deliver confident propulsion and easy maneuverability
- LOA 46 ft (14.02 m), beam 15 ft (4.7 m), max draft 13.944 ft (4.25 m)
- Sleeps up to 6 guests; 2 heads for onboard convenience and privacy
- Fuel capacity 555 gal; fresh water capacity 164 gal for extended cruising range
- Hull constructed in the fiberglass category; deck material: Fiberglass
- Positioned as a motor yacht within the class segment

- Engines: 2 x Volvo, Inboard, Diesel
- Accommodation: 6
- Heads: 2
- Fuel capacity: 555 gal
- Water capacity: 164 gal
- Deck material: Fiberglass

Pricing and Ordering

To obtain up-to-date pricing, confirm current availability, or arrange a private inspection of a Riviera 4600 Sports Yacht, reach out to Shestakov Yacht Sales. Broker Andrey Shestakov will manage specification reviews, coordinate surveys and viewings, and assist with delivery logistics tailored to your purchase plan.

Questions and Answers

Q: What is the yacht's classification? A: It is a motor yacht within the class grouping and is built with a fiberglass hull.

Q: What powers the yacht? A: **Engines** consist of twin **inboard Volvo diesel**

units (2), chosen for dependable performance and ease of maintenance.

Q: How many people can stay onboard? A: **Accommodation** is provided for up to **6** people and there are **2 heads** to support comfortable overnighting.

Q: What are the key dimensions? A: **LOA** measures **46 ft (14.02 m)** , **beam** is **15 ft (4.7 m)** , and **max draft** is **13.944 ft (4.25 m)** .

Q: How do I purchase through your brokerage? A: **Ordering** is handled through Shestakov Yacht Sales—contact broker **Andrey Shestakov** to check availability, confirm the specification for a Riviera 4600 Sports Yacht, and schedule viewings and surveys.

Owner Experience Review

Owners cruising with family appreciate the three-cabin arrangement—full-beam master, forward VIP, and a third cabin offering bunks or a convertible lounge—paired with plentiful storage, which together make the 4600 Sports Yacht from Riviera ideal for weekend escapes and overnight stays.

The split galley layout on port and starboard features expansive Corian countertops and is positioned aft to create a natural connection with the cockpit; with wraparound seating for roughly ten, the flow from saloon to cockpit is well suited to dockside entertaining and day cruising.

When underway, reviewers report a composed, quiet ride that absorbs 2–3 ft wakes and offers predictable handling at cruising speeds. IPS joystick assistance simplifies docking in tight spaces, and one sea trial noted a 360° turn at approximately three boat lengths while underway. Typical test figures reference a cruising range in the mid 20s knots (around 26–28 knots), top speeds near 30–32+ knots, and efficient long range economy at lower speeds. Owners also use the deep toy garage, hydraulic swim platform, and tender

stowage to support watersports and fishing activities.

Routine maintenance is made easier by direct access through the cockpit hatch and an engine room with near-standing headroom; Platinum builds have even been observed with a full-height walk through. Many examples are equipped with twin Volvo Penta D8 IPS (IPS800), so buyers should become familiar with IPS operating modes and multifunction display menus. New-build listings have noted Riviera warranties offering seven years on hull structure and five years on engines/IPS, though the advanced IPS and electronics suites can require more specialized servicing and parts than simpler systems. The Platinum Edition was introduced in 2022–2023, and the model was shown in production as a 2023 model year.

Pros and Cons

- Three-stateroom arrangement with a full-beam master and generous storage makes it well-suited for family use and overnight cruises.
- Aft-positioned galley, split-counter configuration, and wraparound cockpit seating for about 10 support a seamless indoor/outdoor entertaining experience.
- Quiet, solid ride and predictable handling combined with IPS joystick assistance simplify tight-quarters maneuvers.
- Advanced IPS and electronics packages means greater servicing and parts complexity compared with more basic installations.
- Optimal operation benefits from owners becoming familiar with IPS modes and multifunction-display menus before docking and extended cruising.
- Reported top speeds around 30–32+ knots may not satisfy buyers whose priority is maximum speed over a balanced performance package.

Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/ Max)	Gross Tonnage
4600 Sports Yacht	46' 0" (14.02 m)	15' 0" (4.70 m)	13' 11" (4.25 m)
