OVERVIEW

The 64 Sports Motor Yacht Series 2 from Riviera sits at the premium end of the motor yacht market. Built on a fiberglass and plastic hull with a fiberglass deck, this 64-foot platform combines seagoing capability with generous onboard space. Offered through Shestakov Yacht Sales and brokered personally by Andrey Shestakov, it delivers a versatile yacht well suited to extended cruising and entertaining.

Selecting a 64 Sports Motor Yacht Series 2

Opting for the 64 Sports Motor Yacht Series 2 prioritizes expansive interior and exterior volume alongside practical passagemaking ability. Measuring 64 ft (19.51 m) LOA with a 19 ft (5.82 m) beam and a maximum draft of 18.307 ft (5.58 m), it offers the space required for prolonged trips. Twin MAN inboard diesels give the propulsion package the muscle needed for confident offshore passages, while sleeping arrangements for up to 8 and 3 heads make it appropriate for family use or hosting guests. Shestakov Yacht Sales, led by Andrey Shestakov, will coordinate your purchase around these core specifications.

Features of the Model

- Purpose-designed as a motor yacht within the wider category of motor yachts.
- Construction: fiberglass and plastic hull with a fiberglass deck.
- Propulsion by twin MAN inboard diesel engines.
- Accommodation capacity for up to 8 guests with 3 heads.
- Tankage suited for extended cruising: 1,717 gal fuel and 198 gal water.
- Notable dimensions delivering presence and comfort: LOA 64 ft (19.51 m);

Beam 19 ft (5.82 m); Max draft 18.307 ft (5.58 m).

Technical Specifications

- Builder: Riviera
- Model: 64 Sports Motor Yacht Series 2
- Classification: motor yacht within motor yachts
- Hull: fiberglass and plastic
- Deck material: Fiberglass
- LOA: 64 ft (19.51 m)
- Beam: 19 ft (5.82 m)
- Max draft: 18.307 ft (5.58 m)
- Engines: 2 x MAN, Inboard, Diesel
- Accommodation: Up to 8
- Heads: 3
- Fuel capacity: 1,717 gal
- Water capacity: 198 gal

Q: What are the key dimensions? A: **Dimensions:** LOA 64 ft (19.51 m); Beam 19 ft (5.82 m); Max draft 18.307 ft (5.58 m).

Q: How many people can stay aboard and how many heads are there? A: **Accommodation:** Up to 8 guests with **3 heads** , ideal for family cruising and hosting.

Q: What powers the yacht and what are the tank capacities? A: **Engines:** 2 x MAN, **Inboard Diesel** . **Fuel** capacity is 1,717 gal and **water** capacity is 198 gal.

Q: Who builds it and how do I order one? A: **Builder:** Riviera. To proceed, contact **Shestakov Yacht Sales** and **Andrey Shestakov** for a personalized consultation, current pricing, and next steps.

Owner Experience Review

Owners and reviewers commonly describe the 64 Sports Motor Yacht Series 2 by Riviera as well suited to owner-operator use for family cruising and long coastal runs—routes such as Maine to Miami are often referenced—while still supporting sportfishing and lively entertaining. The cockpit is configured for serious anglers, complete with hydraulic outriggers and a transom livewell, and the alfresco deck, roomy saloon, and fully enclosed, air-conditioned flybridge make hosting simple and comfortable.

In sea trials and published tests, the yacht has recorded top speeds around 34 knots with a comfortable fast cruise in the high 20-knot range; reviewers note a quiet, controlled ride that builds confidence offshore. For maximum range, reviewers report efficient displacement-mode economy at roughly 6.6 knots, useful when distance or conditions demand conservative fuel use.

Routine maintenance is made easier by multiple ways to access the engine room, including a watertight utility-room door and entry through the raised mezzanine for inspections. Many boats are fitted with MAN V12 diesels around

1,550 hp, which demand professional servicing and incur higher parts and labor costs; at least one used listing documents significant service work such as the replacement of four turbos and valve adjustments. These observations are drawn from published tests and listings rather than comprehensive fleet-wide longevity studies.

Pros and Cons

- Confident, quiet ride with blue-water capability and a fast cruise in the high-20-knot range.
- Versatile accommodation and social zones, including a full-beam master, 4-cabin/3-head layout, enclosed flybridge, alfresco deck, and raised mezzanine.
- Owner-operator friendly with a large, angler-ready cockpit featuring hydraulic outriggers and a transom livewell.
- High-horsepower MAN V12 diesels require professional servicing and carry higher maintenance costs.
- Used-market notes include significant service items such as turbo replacements and valve adjustments on at least one boat.
- Extended-range economy is achieved at very low displacement speed (about 6.6 knots), making long legs slower when maximizing range.
