OVERVIEW

The 580 Super Sun Sport from SEA RAY is a high end motor yacht class designed for flexible cruising duties and comfortable long weekends afloat. Measuring 58 ft (17.68 m) overall with a 15 ft (4.85 m) beam, and built with a sturdy fiberglass and plastic hull and fiberglass deck, it provides the space, amenities, and seaworthiness seasoned boaters demand.

Selecting a 580 Super Sun Sport

Opting for the 580 Super Sun Sport places you in a tried and true design by SEA RAY powered by twin inboard diesels for dependable, economical cruising. Shestakov Yacht Sales will guide you through assessing each vessel's condition, factory and aftermarket options, and maintenance history so you can pick a boat that matches your cruising style. Work directly with broker Andrey Shestakov to review listings, verify specs, and arrange inspections, surveys, and delivery logistics.

Features of the Model

- Twin SEA RAY installation of 2 x Caterpillar inboard diesel engines for confident handling and efficient range.
- Substantial footprint (LOA 58 ft; beam 15 ft) supporting generous deck and interior layouts.
- Two heads for practical onboard living during weekend or extended cruising.
- Robust fiberglass and plastic hull with a fiberglass deck for durability and ease of maintenance.
- Purpose built as a cruiser class platform within the broader motor yacht segment.

Technical Specifications

- Engines: 2 x Caterpillar
- Engine type: Inboard
- Fuel type: Diesel
- Heads: 2
- Fuel capacity: 600 gal
- Water capacity: 150 gal

Pricing and Ordering

Pricing and availability for the 580 Super Sun Sport depend on model year, overall condition, installed options, and location. For up to date market insight, off market leads, and full transaction support—including negotiation, survey coordination, sea trials, and delivery—contact Andrey Shestakov at Shestakov Yacht Sales.

Questions and Answers

Q: What type of boat is the 580 Super Sun Sport? A: It's a motor yacht positioned in the cruiser segment with a durable fiberglass and plastic hull, well suited for multi day trips where **practical comfort** matters.

Q: Who is the builder of this model? A: The 580 Super Sun Sport is produced by **SEA RAY**, a brand known for consistent build quality in the premium production yacht market.

Q: What are the key dimensions I should know? A: The vessel's **LOA is 58 ft (17.68 m)** and **beam is 15 ft (4.85 m)**—dimensions that create a stable and spacious platform for coastal cruising and entertaining.

Q: What powers the yacht? A: Propulsion comes from **twin Caterpillar inboard diesel** engines (2 total), offering reliable power for extended cruising and efficient operation.

Q: How do I buy or list a 580 Super Sun Sport? A: Contact **Andrey Shestakov** at **Shestakov Yacht Sales** for personalized guidance, current listings, private sale opportunities, and complete assistance when buying or selling a 580 Super Sun Sport.

Owner Experience Review

Owners typically treat the 580 Super Sun Sport by SEA RAY as a large day boat or express cruiser ideal for family outings and entertaining rather than a dedicated bluewater passagemaker. The cockpit functions as the primary social space, featuring a roomy U-shaped lounge, a wet bar, and a sun pad above the optional PWC garage—many owners routinely carry a jet ski. One professional review observed, "The deck was excellent: it's rare to find this space designed with the movement of large numbers of people so much in mind."

When underway, twin diesel installations (commonly Cat 3406/3408 or Detroit 8V92) are reported to cruise in the high 20s knots with top speeds into the low 30s, according to broker and test reports. Handling is frequently described as sure and substantial—more heavy and planted in chop than

skittish—and a forum comparison noted, "She doesn't 'levitate' like the 580SSS does," reflecting owners' impressions of the ride quality.

Below decks, the layout includes two staterooms and two heads with separate showers, plus a full length leather/Ultraleather salon settee that converts to a double berth, all supporting comfortable weekending. The galley is equipped with full size refrigeration/freezer, a three burner range, and a microwave/convection oven. Maintenance considerations mirror the vessel's scale: heavy duty diesels mean higher service and parts costs, but access is eased by two engine room entries—a cockpit hatch and the lifting garage floor. Owners also commonly discuss routine wear to cockpit canvas and the time required to fit or remove covers.

Pros and Cons

- Expansive cockpit and social layout with a U-shaped lounge, wet bar, and sun pad over the PWC garage suit entertaining.
- Confident, substantial handling that feels heavy and solid in chop.
- Two staterooms and two heads plus a convertible salon sofa and full-size galley make weekending straightforward.
- Heavy-duty twin diesels carry higher service and parts costs than smaller boats.
- Cockpit canvas and covers see routine wear and take time to fit and remove.
- Oriented more to day trips and weekending than full-time bluewater cruising.

Comparison with Other Models

| Model | LOA | Beam | Draft | Speed (Cruising/Max) | Gross Tonnage |
|---------------------|------------------|-----------------|-------|----------------------|---------------|
