## OVERVIEW

---

Crafted by Tiara, the 34LX packages modern motor yacht essentials into a compact 34-foot platform. Its robust fiberglass and plastic hull is matched with twin Mercury outboards for dependable propulsion. For assistance with selection, specifications, and delivery, contact Shestakov Yacht Sales—brokered by Andrey Shestakov.

---

## Selecting a 34LX

---

If you're seeking the responsiveness and low-maintenance layout of twin outboards on a 34-foot vessel, the 34LX deserves consideration. It combines a 34 ft LOA (10.36 m) with an 11 ft (3.35 m) beam, a fiberglass and plastic hull form, and gas-fired Mercury outboard power—the package is produced by Tiara. Shestakov Yacht Sales can match these baseline characteristics to how you plan to use and cruise the boat.

---

## Features of the Model

---

- Built by Tiara
- Category: motor yacht
- Hull: fiberglass and plastic; deck: Fiberglass
- LOA: 34 ft (10.36 m); Beam: 11 ft (3.35 m)
- Propulsion: 2 x Mercury outboards (Gas)
- Capacities: Fuel 200 gal; Fresh water 30 gal

---

## Technical Specifications

---

- Model: 34LX

- Builder: Tiara
- Type: motor yacht
- Hull: fiberglass and plastic
- Deck material: Fiberglass
- LOA: 34 ft (10.36 m)
- Beam: 11 ft (3.35 m)
- Engines: 2 x Mercury, Outboard, Gas
- Fuel capacity: 200 gal
- Water capacity: 30 gal

## Pricing and Ordering

---

To obtain up-to-date pricing, current availability, and guidance on build options for the 34LX, reach out to Andrey Shestakov at Shestakov Yacht Sales. Our office will facilitate specification choices, production timelines, and any inspections required to make the purchasing process efficient.

## Questions and Answers

---

- What defines the 34LX configuration?
- The model combines a fiberglass and plastic hull with **twin Mercury outboard** engines running on **gas** , all arranged on a 34 ft by 11 ft platform from Tiara.
- What are the exact dimensions?
- The **LOA** measures **34 ft (10.36 m)** while the vessel's **beam** is **11 ft (3.35 m)** .
- What are the fuel and water capacities?
- The fuel tank holds **200 gallons** , and the fresh water tank capacity is **30 gallons** .

- What materials are used for the hull and deck?
- The hull is constructed of fiberglass and plastic, and the **deck** is finished in **Fiberglass** .
- How do I get pricing and place an order?
- Contact **Andrey Shestakov** at **Shestakov Yacht Sales** for **pricing** , **availability** , and to place an order for the 34LX.

## Owner Experience Review

---

Owners and listing brokers describe the 34LX from Tiara as a convivial dayboat geared toward family use. The aft seating layout is adaptable and the centerline walkthrough to the bow makes boarding and socializing on a sandbar or during short cruises effortless. A private head and compact galley extend the boat's utility from day trips to occasional overnight stays, while the hardtop with sunroof and a well-thought helm maintain airflow, sightlines, and user-friendly ergonomics. Storage solutions and finish quality reflect Tiara standards.

On the water, the 22° hull deadrise delivers a relatively dry, predictable ride for a boat of this size. When fitted with the larger Verado engine options—frequently twin 400s—sea trials and broker reports indicate top speeds in the 50–55+ mph band, and many examples include joystick controls that simplify close-quarters handling. Where installed, a Seakeeper substantially reduces roll at anchor and during slow-speed maneuvers, boosting onboard comfort.

Typical usage patterns include family cruising, sandbar entertaining, occasional light fishing, and watersports; the design favors versatility over being a purpose-built fishing machine, and the cabin is intentionally compact. Owner feedback in listings tends to emphasize routine outboard servicing, periodic

electronics and electrical inspections, and Seakeeper upkeep, with no prevalent model-specific defects commonly reported; transferable hull warranties and extended engine coverage are often noted as resale advantages.

## Pros and Cons

- Social cockpit with flexible seating and a centerline bow walkthrough suits family dayboating and sandbar entertaining.
- Predictable, relatively dry ride with strong top end when optioned with twin 400 Verados.
- Joystick docking and available Seakeeper improve handling and comfort at low speed and at anchor.
- Cabin accommodations are compact, best for day use with only occasional overnights.
- More of a luxury crossover for light fishing than a dedicated fishing platform.
- Routine ownership includes scheduled outboard and Seakeeper services, so planning for regular maintenance is essential.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/...	Gross...
34LX	34' 0" (10.36 m)	11' 0" (3.35 m)
