## OVERVIEW

---

Available through Shestakov Yacht Sales, the 40 from VANDUTCH is a motor yacht in the cruiser class. This model measures 40 ft (12.19 m) overall, carries a maximum draft of 8.202 ft (2.5 m), and is driven by a single diesel engine. For tailored assistance and current availability, please reach out to broker Andrey Shestakov.

## Selecting a 40

---

Opt for the 40 when you want a 40 ft vessel with the simplicity of a single **diesel** propulsion unit and the straightforward ownership that comes with one **engine** . Its 8.202 ft (2.5 m) **draft** makes it appropriate for itineraries where that depth is acceptable. As a cruiser within the wider motor yacht category, it appeals to buyers seeking a focused, efficient cruising platform.

## Features of the Model

---

- Builder: VANDUTCH
- Model: 40
- Classification: motor yacht and cruiser
- LOA: 40 ft (12.19 m)
- Max draft: 8.202 ft (2.5 m)
- Propulsion: single diesel engine (engine manufacturer: Unknown)
- Offered by Shestakov Yacht Sales with broker Andrey Shestakov

## Technical Specifications

---

- LOA: 40 ft / 12.19 m

- Draft (max): 8.202 ft / 2.5 m
- Engines: 1
- Engine manufacturer: Unknown
- Engine fuel type: Diesel

## Pricing and Ordering

---

To obtain current **pricing** , confirm **availability** , or begin the **ordering** process for the 40 by VANDUTCH, contact Andrey Shestakov at Shestakov Yacht Sales. Our brokerage team will guide you through next steps, coordinate viewings and surveys, and handle required documentation.

## Questions and Answers

---

Q: What is the **LOA** of the 40? A: The **LOA** measures 40 ft (12.19 m).

Q: What is the maximum **draft** of the 40? A: The maximum **draft** is 8.202 ft (2.5 m).

Q: How many **engines** does it have and what fuel does it use? A: It is fitted with 1 **engine** running on **Diesel** ; engine manufacturer: Unknown.

Q: What **category** does this model belong to? A: The model is a motor yacht configured as a cruiser.

Q: How can I get **pricing** and start **ordering** ? A: Reach out to Andrey Shestakov at Shestakov Yacht Sales for the latest **pricing** , **availability** , and assistance with **ordering** .

## Owner Experience Review

---

Owners and reviewers commonly describe the VANDUTCH 40 as an upscale

dayboat ideal for the Riviera and the broader Mediterranean, a reliable tender or chase boat for larger yachts, and a comfortable owner-operated weekender for family escapes. On the water it delivers a dry, assured feel in chop and settles into a comfortable low to mid 20 knot groove; typical cruising speeds are reported around 22–25 knots. One owner captured the sentiment succinctly: "smooth ride is probably the VanDutch 40's most outstanding feature." Observers advise that the boat is best used in protected or coastal waters rather than venturing into severe offshore conditions.

Aboard, the VANDUTCH 40 emphasizes socializing: a generous cockpit designed for entertaining leads to a large sunpad, while the minimalist, high-end interior—credited to Frank Mulder—receives consistent acclaim. The cabin accommodates a main berth and a head for occasional overnight stays (typically for 2–4), though owners note storage is more limited than on larger cruising models. Helm layout and control simplicity build confidence—"the moment I took the helm with the joystick controls, I felt like I had been doing this for years," one owner said. Maintenance patterns resemble conventional twin diesel shaft drive upkeep, with common engine packages including Yanmar 6LY3 or Cummins QSB 6.7; owners and brokers point to relatively straightforward electrical systems and an accessible engine room compared with pod installations, but caution that refits and upgrades on older examples can be significant and costs vary by engine choice and local service rates.

## Pros and Cons

---

- Smooth, dry ride with confident handling, and an easy 22–25-knot cruise suits day trips and transfers.
- Party-friendly cockpit and expansive sunpad, with a minimalist high finish interior owners praise.
- Joystick controls and ergonomic helm make owner-operator docking and close-quarters work straightforward.

- Better suited to sheltered coastal conditions than heavy offshore use or extreme weather.
- Limited storage and a compact cabin mean overnights are occasional rather than extended.
- Refit and maintenance costs on older examples can be substantial, and expenses vary by engine and local service rates.

## Comparison with Other Models

Model	LOA	Beam	Draft	Speed (Cruising/Max)	Gross Tonnage
55	55' 0" (16.76 m)	14' 0" (4.50 m)	12' 4" (3.75 m)	20 kn / 36 kn	
40	40' 0" (12.19 m)		8' 2" (2.50 m)		
Sport 35	36' 0" (11.12 m)	8' 0" (2.67 m)	9' 10" (3 m)		
N/A	32' 0" (9.81 m)	9' 0" (2.90 m)	2' 12" (0.91 m)	23 kn / 45 kn	
VanDutch 40	40' 0" (12.19 m)	11' 0" (3.50 m)	8' 9" (2.67 m)	28 kn / 36 kn	8.89
