OVERVIEW

A pristine 2020 Tiara 38 LS, resplendent in both form and finish, presents itself as the epitome of a luxury dayboat and express cruiser; twin supercharged Volvo Penta 7 Marine 527-hp outboards provide exhilarating acceleration that will carry you to remote coves within minutes. Equally at home on spirited island-hopping jaunts or leisurely weekend escapes, she blends the responsiveness of a performance sport yacht with the comforts of an elegant motor yacht, and the vessel is held in a Tax Paid LLC. Onboard refinements include Seakeeper gyro stabilization for serene motion, a retractable sunshade, and a convertible settee table/sun pad that rotates 180°. Navigation and convenience are handled by Garmin electronics, a 7.5 kW generator, joystick docking, and a Lewmar bow thruster, while full seating covers, an Eisenglass enclosure, and a Kenyon grill complete the premium outboard powerboat package. Now lying in South Lake Union, she is available for viewing and sure to impress.

DETAILED DESCRIPTION

Additional equipment

A precise joystick control at the helm pairs with an intuitive touch screen to give fingertip maneuverability in tight marinas and open water alike, while underwater lights cast an inviting glow when at anchor and full walk-around side decks ensure effortless circulation and safe passage from bow to stern, making every movement aboard as confident as it is graceful.

Covers

Purpose-made covers safeguard the generator and keep the shore power inlet clean and protected when not in use, preserving critical systems from the elements and presenting a tidy, cared-for appearance while the yacht is laid up.

Electronics

A comprehensive suite of electronics features an autopilot and a dependable compass working alongside a depthsounder, GPS, plotter, radar, and a fully equipped navigation center, delivering seamless situational awareness and route planning; entertainment is handled by a CD player, DVD player, radio and both a flat-screen TV and an additional TV set with cockpit speakers that carry rich audio on deck, while clear communications are ensured by the VHF radio.

Inside equipment

Onboard comfort is assured by air conditioning and heating that provide a

temperate environment in any season, while a bow thruster provides confident close-quarters control; the galley benefits from a microwave oven and a refrigerator for convenient provisioning, the marine head is practical and easy to maintain, and seakeeping is elevated by a Seakeeper gyroscopic stabilizer that minimizes roll and enhances onboard comfort underway and at rest.

Outside equipment/extras

On deck, a teak cockpit sets a warm, premium tone complemented by plush cockpit cushions that invite long hours of relaxation, while a freshwater cockpit shower and a versatile cockpit table expand onboard living options; easy water access is provided by a swimming ladder and outboard engine brackets are fitted to accommodate auxiliary power when needed, and underway a gyroscopic stabilizer keeps the ride composed and refined for guests and crew alike.

Disclaimer

Exclusions: All personal property is excluded unless specifically identified and included in the sale agreement and listing specifications; personal property means any items not permanently attached to the vessel, including but not limited to artwork, furnishings, and recreational or entertainment items, and while advertisements or marketing materials may depict the vessel with such items, they remain excluded unless expressly included in writing. Disclaimer: The details of this vessel are offered in good faith but no guarantee or warranty is made as to the accuracy of the information or the condition of the vessel; a buyer should instruct their agents or surveyors to investigate any details the buyer desires validated, and the vessel is offered subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
