## DETAILED DESCRIPTION

---

### The 10 VSX is the newest boat in the AB Inflatables' fleet!

---

The 10 VSX is the newest gem in the AB Inflatables lineup, setting new benchmarks for lightweight economy console tenders. This model draws inspiration from the roomy Navigo 10 VS tender, celebrated for delivering the driest ride in its class. The 10 VSX elevates this experience with molded cushioned seating that comfortably fits four adults. This boat is packed with features, including ORCA® CSM fabric, LED navigation lights, a bilge pump, a stainless steel steering wheel, and a grab handle. It also provides hidden storage in the bow locker, a central console, and a flip-open rear seat. Despite its extensive features, the boat remains lightweight at just 262 lbs, ensuring easy handling. Four stainless steel davit lifting points complete this adaptable package.

The vessel is driven by a 20 HP Tohatsu 4-stroke engine with a mere 35 hours of operation, guaranteeing dependable performance. Navigation is simplified with a 9-inch Simrad GPS, and the boat includes power trim and electric start for added ease. Fishing enthusiasts will appreciate the fish finder with a transom transducer. Safety and practicality are further enhanced with LED navigation lights, a battery switch at the helm, and an electric bilge pump.

Regarding dimensions, the 10 VSX spans 10 feet 6 inches in length overall, with a beam of 5 feet 7 inches. It has a dry weight of 262 lbs and can seat four people. The fuel tank has a capacity of 6 gallons, offering plenty of range for your journeys. This remarkable boat is priced at \$17,999.00 and is currently situated off-site.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
