OVERVIEW

The 2018 AB Inflatables Mares 10 VSX is a meticulously built, ultra-compact console RIB designed to serve as a yacht tender with effortless poise. When you slip ashore onto a sunlit beach or thread into a secluded fishing cove, the Mares performs as a reliable companion. Pristine, dependable, and ready-to-go, it is powered by a Yamaha 25HP four-stroke, delivering refined thrust and sure-footed handling, backed by AB Inflatables' renowned construction. Ideal as a superyacht tender, dinghy, or center-console runabout, it appeals to owners seeking a low-maintenance, ship-to-shore solution that offers consistently smooth performance.

DETAILED DESCRIPTION

Main overview

The 2018 AB Inflatables Mares 10 VSX distills versatility and craftsmanship into a nimble 10'6" package, marrying a deep-V fiberglass hull with ORCA Hypalon tubes to slice through chop with poise and keep guests dry and comfortable; a Yamaha 25 HP four-stroke delivers efficient, reliable power, while a Garmin GPS, center-console steering, cushioned seating, and thoughtfully integrated storage elevate every outing, and its lightweight design makes launching, towing, or stowing aboard a larger yacht effortless, equally at home as a refined tender or a self-contained day boat — clean, efficient, and ready for its next owner.

Key features

Engineered for a smooth, dry ride, the deep-V fiberglass hull pairs with durable ORCA Hypalon tubes, and propulsion comes from a Yamaha 25 HP four-stroke outboard with low hours; technology and ergonomics are equally considered with a Garmin GPS/fishfinder combo, a center console capped by a stainless steering wheel, padded helm and forward seating, a built-in fuel tank with battery switch, and vital gear such as navigation lights and a bilge pump, while a Continental trailer is available to complete the package.

Why you'll love it

You'll feel the difference from the first throttle push: it runs strong and handles beautifully, yet remains compact, easy to tow, and simple to stow; in true turn-key condition — simply launch and go — it is an ideal yacht tender and equally perfect for exploring the bay on your own schedule.

Current condition

Lightly used since new and carefully maintained, this 2018 AB Inflatables Mares 10 VSX has been kept covered, stored out of the water, and cleaned on a regular schedule, so both boat and motor present in excellent condition.

Disclaimer

The Company presents the particulars of this vessel in good faith but cannot guarantee the accuracy of the information or warrant the vessel's condition; buyers are encouraged to instruct their agents or surveyors to verify any details they wish to validate, and this vessel is offered subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
