OVERVIEW

Seize the opportunity to own this NEARLY NEW AB RIB!

Introducing the 10 VSX, the newest model from AB Inflatables! This vessel redefines the idea of lightweight and cost-effective console tenders. Based on the spacious open Navigo 10 VS tender, renowned for providing the driest ride in its category, it features molded cushioned seating for four adults. This well-equipped boat includes everything you could desire. Key features are the ORCA® CSM fabric, LED navigation lights, a bilge pump, a stainless steel steering wheel and grab handle, concealed storage in the bow locker, a center console, and a flip-up rear seat. With a weight of just 262 lbs, it also boasts four stainless steel davit lifting points, making it a versatile choice. Ideal for those interested in purchasing a yacht or exploring yacht sales at the current boat location.

DETAILED DESCRIPTION

Installed options

This yacht boasts an array of high-end features crafted to elevate your time on the water. At the helm, a cutting-edge Simrad 9-inch GPS system ensures accurate navigation and peace of mind throughout your journey. The power trim function allows for smooth adjustments, enhancing both performance and fuel efficiency. With the electric start system, getting the yacht underway is both simple and dependable.

For fishing enthusiasts, the yacht is equipped with a fish finder and a transom transducer, making it easy to locate and track fish. Safety and visibility are of utmost importance, which is why the yacht is equipped with LED navigation lights, ensuring visibility in all conditions. The battery switch at the helm provides straightforward management of the electrical systems, while the electric bilge pump automatically removes water, keeping the vessel dry and safe.

Additionally, the yacht is paired with an Aproz trailer, making transport and storage convenient. Each of these features has been meticulously integrated to offer a smooth and pleasurable yachting experience.
