OVERVIEW

"CURRENT PRICE" IS PROVIDED FOR GUIDANCE ONLY. ALL REASONABLE OFFERS WILL BE CONSIDERED.

GENERAL DESCRIPTION

This 2018 Inmar RIB (Rigid Inflatable Boat) is a robust, versatile tender designed for effortless transfers between ship and shore and spirited coastal excursions. The hull pairs a reinforced fiberglass deep V hard bottom with sturdy inflatable collars constructed in either heavy duty PVC or ORCA Hypalon, delivering excellent buoyancy, stability, and a dry ride even in choppy conditions. At roughly 10 feet overall, this hard bottom inflatable is equally suited as a superyacht tender, a family dinghy, a coastal explorer or a trailerable dayboat and runabout; it is outboard ready and easily adapted to a center console layout for versatile use.

ACTUAL CONDITION

The boat presents well overall and would respond to a professional detailing and routine seasonal commissioning. Prospective buyers are encouraged to inspect on site, imagine their preferred outfitting, and submit offers based on the vessel's visible condition.

EQUIPMENT

No trailer is included with this sale. Inventory is strictly limited to items physically aboard at the time of inspection; do not presume additional equipment or accessories are stored elsewhere.

TRANSPORTATION

Arrangements can be made for domestic or international transport, including bespoke cradles and delivery to a port for overseas shipment. Assistance with logistics and export preparation is available upon request.

ENGINE(S) CONDITION

Refer to the Motors and Machinery Disclaimer below for full details.

MOTORS AND MACHINERY DISCLAIMER

No claim is made as to the operational state of engines, systems, or mechanical components. Photographs may show machinery spaces and related items, but buyers bear sole responsibility for examining and verifying the actual condition of propulsion and systems to their satisfaction. Do not assume that any accessories, tools, or loose gear are included unless they are present at inspection. The vessel is offered precisely as seen; submit bids or offers based on the on site condition and the inventory observed during viewing.

ADDITIONAL TERMS / DISCLAIMER

All information is provided in good faith but is not guaranteed; specifications and condition are not warranted. Buyers should independently confirm any particulars of importance. The vessel remains subject to prior sale, price adjustment, or withdrawal at any time without notice. All marine assets, whether owned or brokered, are sold AS IS, WHERE IS, with NO WARRANTY—express or implied—including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
