The 2027 Filippetti S100 is a stunning showcase of sporty sophistication, precise engineering, and bespoke craftsmanship, crafted in partnership with the esteemed architect Fulvio De Simoni. This yacht for sale is perfect for those who crave exhilarating performance paired with luxurious comfort. It offers a superyacht-level design with a unique and innovative layout, all wrapped in a sleek, streamlined form.

This yacht sale opportunity features a rare full-beam owner's suite on the main deck, providing ample space, abundant natural light, and exceptional privacy. Below deck, the yacht accommodates up to eight guests in four additional cabins, each with its own en-suite bathroom. The crew quarters are located aft, with three cabins, two bathrooms, and a dedicated crew mess, ensuring professional service and privacy for guests.

The expansive, sunlit salon seamlessly connects to the aft deck, where a 3-meter beach club invites relaxation, swimming, or enjoying water toys in style. The flybridge boasts a large sun pad and a chic bar, offering panoramic views and an ideal setting for entertaining. Forward, a private bow lounge and sunbathing area provide more open-air space to unwind.

At the core of the S100's performance is a triple MAN 2000HP engine setup with Waterjet Drives, delivering a smooth, high-speed cruising experience with outstanding handling and seakeeping. The yacht's dual helm stations, including one on the flybridge, offer enhanced control and a more engaging piloting experience for those who love to steer.

The S100 is fully customizable, allowing owners to tailor the interior finishes, furnishings, and layout to match their personal style. With its striking presence, innovative design, and remarkable performance, the Filippetti S100 is a rare blend of power, elegance, and personalization.
