DETAILED DESCRIPTION

About the yacht

The 2015 Custom Line 100 is a commanding 30.6 metre motor yacht that perfectly channels Italian design language, superb craftsmanship and notable performance. Conceived for owners and guests with exacting tastes, she marries sumptuous luxury with everyday comfort and an elegant sense of style to produce memorable moments at sea.

Onboard, interiors bathed in light create an atmosphere of restrained glamour. Expansive floor to ceiling glazing pours natural daylight into each living area while framing uninterrupted panoramic views, creating a seamless dialogue between interior volumes and the surrounding horizon. High grade materials, meticulous finishes and contemporary fittings refine every surface, resulting in an inviting ambience for relaxation and refined entertaining alike.

The generous main salon functions as the yacht's social nucleus, offering comfortable lounge and dining configurations ideal for family gatherings or convivial evenings with friends. Above, the sweeping flybridge provides a superb alfresco environment for dining, sunbathing and evening cocktails, while the fore and aft decks serve as private havens where guests can retreat and enjoy the sea air in peace.

Sleeping accommodation for up to ten guests is arranged across five en suite cabins, highlighted by a lavish full beam master suite that rivals the privacy and comfort of a five star residence. Each cabin has been conceived as a serene, well appointed retreat, ensuring a restorative stay for everyone on board.

Driven by twin high performance engines, the Custom Line 100 delivers assured, smooth cruising with excellent stability and fuel efficiency. Advanced naval architecture, generous interior volume and a thoughtfully organised

layout make her equally practical for extended passages, dedicated private ownership or operation within a luxury charter fleet.

Blending timeless exterior lines with exceptional onboard living spaces, the 2015 Custom Line 100 remains a distinguished presence in her class. Spacious, elegantly appointed and carefully detailed, she provides the hallmarks of a world class yacht: comfort, prestige and performance for unforgettable voyages.

Equipments and other details

Designed to instill effortless confidence at sea, the yacht is equipped with a Hard Top that ensures cool, sheltered cruising, while a Gyro Stabilizer together with a Fin Stabilizer deliver composed performance both underway and at anchor. Close-quarters handling and precision are provided by a Bow Thruster and a Stern Thruster, and a Hydraulic Platform simplifies boarding and tender handling. The Tender Boat is lifted by a Flybridge Crane and stowed in the Boat Garage alongside a Jetski, while Satellite TV keeps onboard entertainment uninterrupted on every voyage. Operational versatility is augmented by a third control station, shore access is made easy with the Pasarella, and extended autonomy is achieved through an onboard Watermaker and Inverter with navigation supported by a Chart Plotter. Responsible onboard waste management is assured by the Hamann Sewage Treatment System.

Equipment and other details

Power is provided by twin Kohler generators of 50 kW each with 3,760 hours on the clocks, and seakeeping is assured by fin stabilizers enhanced by three gyro stabilizers. The tender garage houses a Williams 4.45 and two jet skis for effortless access to the water. Guest accommodation is laid out over five cabins, featuring a main-deck master suite and four guest cabins, while the

crew are berthed in three cabins accommodating five. Offered by her second owner, this extensively customised Custom Line 100 is finished with Bentley and Fendi interior furnishings. She has been maintained exclusively by authorised service centres since new and ranks among the most comprehensively equipped Custom Line 100 yachts worldwide.
