OVERVIEW

Established in 1916, the Astondoa shipyard has grown into a distinguished legacy in boatbuilding, still held by the founding family and now led by the third generation. Every Astondoa yacht is constructed with a deep-rooted heritage, showcasing not only the owner's vision but also the commitment of skilled craftsmen whose families have been part of this respected institution for many years. This dedication results in bespoke vessels that meet the unique desires and requirements of their owners.

The Astondoa 100 Century is the second model in the Century series, designed to commemorate the 100th anniversary of this esteemed Spanish yacht manufacturer. The first Astondoa 100 Century is scheduled for delivery this summer, presenting a unique opportunity for those interested in yacht sales at the current boat location. For those seeking to purchase a yacht that epitomizes luxury and expert craftsmanship, this is an extraordinary choice in the yacht for sale market.

DETAILED DESCRIPTION

Section name

This yacht comes with an extensive selection of electronics and interior equipment, guaranteeing a luxurious and effortless sailing adventure. The electronic package features a depth sounder, autopilot, compass, GPS, and VHF radio, equipping you with all the essential tools for navigation and communication. For entertainment, the yacht is outfitted with a TV, DVD player, radio, CD player, and speakers in the cockpit, allowing you to enjoy your favorite media while cruising.

Inside, the yacht is equipped with a variety of features designed for comfort and ease. A bow thruster facilitates smooth maneuvering, while both electric and manual bilge pumps offer reassurance. The battery charger ensures your power systems operate efficiently, and the air conditioning and heating systems maintain a pleasant atmosphere in any climate. Hot water is always accessible, and the galley is well-equipped with an oven, microwave, electric toilet, refrigerator, and deep freezer, simplifying meal preparation.

The yacht's electrical setup includes a shore power connection, generator, and inverter, all functioning on a 220V circuit, ensuring a dependable power supply wherever you go. Externally, the yacht boasts a teak cockpit and side decks, adding a touch of sophistication and resilience. A gangway, cockpit cushions, and a table enhance comfort and convenience, while a swimming ladder and hydraulic windlass boost the yacht's functionality. This yacht is an ideal fusion of luxury, technology, and practicality, providing an outstanding experience on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
