## DETAILED DESCRIPTION

---

### Audio & visual equipment

---

Thoughtfully curated for immersive entertainment, the yacht's main saloon features an LG SMART 55" LED TV installed new in August 2018, driven by a QNAP media server also new in August 2018, with a SONOS PLAY:5 speaker and a SONOS Subwoofer, both newly installed in August 2018, and an OTE TV satellite receiver to bring a world of content onboard. In the master, a newly installed LG SMART LED TV (August 2018) pairs with two SONOS ONE/PLAY:1 speakers, likewise new in August 2018, for enveloping sound. Across the guest staterooms, four LG SMART LED TVs introduced in August 2018 are complemented by two SONY PS4 consoles acquired new in August 2018 and four SONOS ONE speakers fitted new in August 2018, ensuring effortless play and premium audio in every cabin. The TV room/VIP cabin elevates the experience further with an LG SMART 60" LED TV installed new in August 2018, two SONOS ONE/PLAY:1 speakers new in August 2018, a SONOS PLAYBAR added in August 2018, and a SONOS Subwoofer, also new in August 2018, delivering cinematic clarity and depth throughout.

### Deck equipment

---

Engineered for seamless handling in any harbor, the deck is equipped with Maxwell 3000 aft warping capstans for confident line control, two Italwinch by Orvea windlasses rated at 4000 W for rapid, reliable anchoring, and a robust crane with a maximum load of 600 kg for effortless tender and equipment operations.

## Electrical equipment

---

Electrical systems are specified for global cruising with 220 V, three-phase power, supported by an SAE shore power transformer for clean, stable input. Charging is managed by a Mastervolt 24/40 charger alongside an SBC250 12 V 30 A unit for balanced, efficient battery care. Climate comfort comes from a Frigitec air-conditioning plant with three compressors, while underwater lights add a dramatic glow at anchor and underway.

## Mechanical

---

Robust and meticulously serviced, the yacht features a Hamann sewage treatment system for eco-conscious operations and an Idromar watermaker producing 240 liters per hour for generous freshwater independence. Two central fridge compressors ensure consistent galley performance, while Hilzinger engine pre-heat units promote smooth, stress-free starts. Ventilation is assured by two Gianneschi + Ramazzotti blowers, complemented by Sanguineti Chiavari components and hydraulic controls for the passerelle and aft platform for precise, quiet motion. Safety and redundancy are underpinned by two Gianneschi + Ramazzotti CP40/160T fire/bilge pumps, with hot water supplied by two local water boilers.

## Galley

---

Designed for gourmet service at sea, the galley hosts five Frigitec fridge/freezers for abundant provisioning, an Alpes-Inox four-burner hob and Miele pro oven for precise culinary control, a Miele dishwasher and Whirlpool microwave for effortless service, and an Alpes-Inox air extractor for pristine ventilation. Ice is on demand via a Frigomar icemaker and a portable icemaker, while two Liebherr Grand Cru wine fridges in the salon care for the cellar. On the

flybridge, two Fridgit fridges keep refreshments close at hand, with Fridgit drinks fridges and an ice maker in the pantry, and two Miele washer-dryers streamlining laundry turnarounds.

## Boat highlights

---

A comprehensive program of enhancements underscores the yacht's pedigree and care. For 2025–2026, a complete new paint on the hull and superstructure refreshes her presence, with new windows installed on the superstructure for improved light and longevity. The 2018–2019 refit was transformational: shafts and propellers were extracted and serviced, with bearings replaced by new; the entire interior was totally refitted, with all internal and external furniture replaced with new pieces; all-new LED lighting was introduced throughout the yacht; and the bridge was renewed with upgraded navigation equipment, a new equipment layout, and refined panel covering. Guest accommodation woodwork was replaced throughout, new reading lights were added in crew cabins, new extractor fans were fitted in showers, and the marble in the master cabin bathroom was replaced. All six bathrooms were refitted, new covers and a new bimini were added, and two new liferafts, ten persons each, were supplied, together with a new Hamann macerator pump.

### Connectivity

and entertainment were modernized with all-new outlets throughout, a new router, a new central entertainment system, new speakers throughout, new LED TVs in all cabins, and a new Sat-TV system. The exterior received a complete repaint with metallic paint, a new aft deck table, a Jet Ski upgrade, and new lighting on the bridge. In crew areas and stairwells, lighting was upgraded to LED, and bulwark lighting was upgraded to LED as well. New insulation was installed in the main engine exhausts, the bow thruster was serviced, and new TECMA Silence toilets were fitted. Underwater lights were installed, anchor pockets were serviced and polished, and the capstans were

serviced. Two new anchor windlasses were added, the W6 service was completed, main engine injectors were serviced, and turbines on the main engines were serviced. Mounted bilge pumps were repaired, the watermaker and the Hamann system were serviced, fresh water systems were serviced, and the steering system received a full service. Door sensors were serviced, the passerelle was repaired by changing the electric board and cylinders, and all internal and external furniture was replaced with new items.

## **Accommodations**

---

SUMMER FUN welcomes up to 12 guests in six finely appointed staterooms: a full-beam master suite, a versatile VIP on the main deck that elegantly converts into a playroom, two double staterooms, and two twins that convert into doubles, offering flexible, family-friendly living without compromise.
