DETAILED DESCRIPTION

Section name

The CDM Yacht "Atlas" is fully prepared and primed for immediate cruising or chartering, showcasing itself in pristine condition. This vessel represents a pinnacle of marine craftsmanship and opulence, brought to life by the esteemed Italian shipyard Cantiere delle Marche. Celebrated for their sturdy and sophisticated explorer yachts, CDM has flawlessly integrated the robust capabilities of an explorer vessel with the luxurious features and aesthetics of a superyacht in "Atlas." Her construction includes a steel hull and aluminum superstructure, expertly designed to handle challenging oceanic conditions with elegance and stability. With a wide beam, "Atlas" provides expansive decks and interiors, meticulously crafted by leading designers to create custom spaces for relaxation and entertainment. Cutting-edge navigation systems, paired with eco-friendly technologies, ensure that "Atlas" not only navigates the seas effortlessly but also with a consciousness towards the marine environment. The yacht's capacity to host a variety of water toys, tenders, and submersibles, along with plush accommodations for both guests and crew, makes "Atlas" the perfect option for those seeking adventure without sacrificing luxury or comfort.

Propulsion

This yacht's propulsion system is driven by a pair of powerful Caterpillar C18 engines, each offering an impressive 670 horsepower. Both engines, crafted in 2017, have been carefully maintained and currently boast 2200 operational hours. Engineered for both reliability and high performance, these inboard engines feature a direct drive system, ensuring efficient power delivery and seamless navigation. Fueled by diesel, these engines are designed to deliver

the necessary thrust for both relaxed cruising and more challenging journeys, making them a perfect fit for a yacht of this stature.

Specifications

This yacht features outstanding specifications that perfectly balance performance with comfort. It cruises at a speed of 10 knots and can reach a top speed of 13 knots, ensuring a smooth and efficient passage across the waters. With an impressive range of 3910 nautical miles, it is well-suited for extended journeys with peace of mind. Regarding dimensions, the yacht spans 102 feet in overall length, with a maximum draft of 9.08 feet and a beam of 24.25 feet, offering generous space and stability. The vessel is outfitted with large tank capacities, including a fresh water tank holding 1585.03 gallons, a fuel tank with a capacity of 10566.88 gallons, and a holding tank that can store 290.59 gallons. Onboard accommodations are crafted for luxury and ease, featuring four roomy cabins and six heads, ensuring that both guests and crew can enjoy a comfortable and well-equipped setting. These specifications make the yacht an excellent choice for those desiring both adventure and relaxation on the open sea.
