## Foredeck

---

The foredeck of this yacht exemplifies a perfect blend of practicality and opulence, crafted to meet every requirement while cruising. Central to its operational prowess is a vertical hydraulic anchor windlass, which ensures seamless and effective anchoring with the sturdy CQR anchor and an impressive 425 feet of chain. This arrangement provides assurance, whether docking in a lively marina or a tranquil cove.

For those prioritizing safety and navigation, the ACR searchlight delivers powerful illumination, crucial for nighttime journeys or navigating through difficult conditions. Enhancing this is a cutting-edge CCTV system, providing extensive surveillance to maintain security and peace of mind at all times.

Boarding the yacht is made simple with the Marquipt boarding ladder, celebrated for its stability and user-friendliness. Once on board, the foredeck becomes a sanctuary of leisure and entertainment. A distinctive circular sun lounger, accommodating up to four guests, invites relaxation and sunbathing. Additionally, a spacious sun pad offers plenty of room for soaking up the sun or enjoying the ocean breeze.

The foredeck is more than just a place for relaxation; it is a versatile area designed for socializing and entertaining. With ample space to lounge, it serves as the ideal venue for hosting gatherings or savoring peaceful moments with the sea as your backdrop. This foredeck effortlessly combines technical excellence with luxurious comfort, making it an essential feature of the yacht's charm.

## Raised pilothouse

---

The elevated pilothouse of this yacht exemplifies cutting-edge navigation technology, guaranteeing that each voyage is both secure and effective. At the heart of its navigation system is the Garmin plotter, offering precise charting and route planning capabilities. Enhancing this is the Sperry Navpilot 4000 autopilot, which provides outstanding course-keeping abilities, enabling confident hands-free navigation.

For those requiring precise speed and distance data, the Brookes & Gatehouse log and speed indicator delivers dependable information, while the Furuno radar ensures constant awareness of your surroundings, even in poor visibility. The dual compass setup, featuring both Ritchie and Sperry compasses, ensures redundancy and precision in directional guidance.

The pilothouse is also equipped with dual GPS systems from Garmin and Northstar, delivering unmatched accuracy in positioning and navigation. Brookes & Gatehouse instruments monitor depth and wind conditions, supplying crucial data for safe and efficient sailing.

Communication is vital on the open sea, and this pilothouse is well-equipped with Icom IC-M127 and IC-M504 radios, ensuring clear and reliable communication channels at all times. This elevated pilothouse seamlessly combines state-of-the-art technology with intuitive interfaces, making it an essential command center for any maritime journey.

## Flybridge

---

The flybridge of this yacht masterfully combines opulence and practicality, crafted to elevate your cruising experience. It boasts a fully-equipped entertainment zone, featuring a refrigerator and ice maker, ensuring that refreshments are always within reach. The Jennaire grill invites you to indulge in outdoor dining, while the spacious dinette offers plenty of room for guests

to gather and savor meals with sweeping ocean views.

A highlight of the flybridge is the hot tub, which includes a cover that can convert it into a large sun lounger, providing flexibility for both relaxation and sunbathing. To offer shade and comfort, a large Sunbrella is also provided, making the flybridge a perfect retreat for sun enthusiasts and those seeking a break from the sun's rays.

In terms of navigation, the flybridge is outfitted with a full array of advanced equipment. The Garmin plotter ensures accurate route planning, while the Sperry Navpilot 4000 autopilot delivers dependable course maintenance. The Brookes & Gatehouse log and speed indicator, along with the Furuno radar, supply vital data for safe navigation. Dual compasses from Ritchie and Sperry, as well as GPS systems from Garmin and Northstar, guarantee precise positioning and directional guidance. Depth and wind conditions are tracked by Brookes & Gatehouse instruments, offering essential information for smooth sailing. Communication is supported by Icom IC-M127 and IC-M504 radios, ensuring clear and reliable contact at all times.

This flybridge effortlessly merges leisure and technology, making it an outstanding space for both relaxation and navigation.

## Salon

---

The salon of this yacht is a triumph of design and utility, providing a luxurious and inviting area for both relaxation and entertainment. Accessible through doors on both the port and starboard sides, the salon features a pristine classic interior that radiates elegance and sophistication. Surrounded by floor-to-ceiling windows, the space offers stunning views of the seascape and fills the interior with abundant natural light.

At the center of the salon is a U-shaped bar, complete with a refrigerator, sink, generous storage, and a TV, creating an ideal spot for socializing and enjoying

drinks. The seating is thoughtfully arranged to ensure guest comfort, featuring four chairs, a U-shaped settee, and two large easy chairs, all positioned to foster conversation and relaxation.

Entertainment is a priority with a large flatscreen TV, allowing guests to enjoy movies or stay updated with the latest news in style. The dinette, with its cozy seating, provides an additional area for dining or playing games, making the salon a versatile space for a variety of activities.

Conveniently situated in the main deck lobby, just ahead of the salon, is a day head, offering easy access for guests and enhancing the overall convenience of the area. This salon effortlessly blends luxury, comfort, and functionality, making it the perfect venue for both intimate gatherings and lively social occasions.

## Galley

---

The galley of this yacht is a culinary paradise, thoughtfully positioned forward amidships below deck, blending functionality with elegance. It boasts high gloss teak and holly floors, infusing the area with sophistication. Spanning the full width of the yacht, the galley is outfitted with premium appliances, making it a chef's delight.

At the heart of the galley's cooking prowess is the GE Electric 5 burner glass cooktop and oven, offering generous space for crafting gourmet dishes. Complementing this is a Samsung microwave, ideal for quick heating and meal preparation. The galley features an impressive selection of refrigeration options, including two SubZero refrigerators, a SubZero freezer, and a GE Profile fridge/freezer, ensuring all provisions remain fresh and easily accessible.

For storage, the galley provides ample dry storage space, allowing for organized and efficient use of the area. Waste management is simplified with

the Compactall waste compactor, while the GE dishwasher makes clean-up effortless. Additionally, the galley is equipped with a Frigidaire washer and dryer, offering the convenience of onboard laundry facilities.

A large Ruud hot water heater guarantees a continuous supply of hot water, enhancing the comfort and functionality of the galley. This space effortlessly merges practicality with luxury, making it an indispensable part of the yacht's allure, whether you're preparing a simple snack or an extravagant feast.

## Dining

---

The dining area on this yacht is a remarkable and sophisticated space, uniquely crafted in an octagonal shape that distinguishes it from conventional dining layouts. Situated amidships on the main deck, this area is both central and accessible, making it the perfect location for enjoying meals while cruising. At the heart of the dining area is a round table with seating for six, offering an intimate yet roomy setting for gatherings with family and friends.

Enhancing the ambiance is a skylight that floods the dining area with natural light, creating a warm and welcoming atmosphere. This feature not only boosts the aesthetic appeal but also connects diners with the surrounding seascape, providing a dining experience that is both luxurious and immersive.

For added convenience, a dumbwaiter is included, facilitating the easy transfer of dishes and beverages from the galley, ensuring that service is seamless and efficient. Additionally, the dining area offers direct access to the foredeck, allowing guests to easily transition between indoor and outdoor spaces, whether for a pre-dinner cocktail or a post-meal stroll.

This dining area combines unique design elements with practical features, making it a standout feature of the yacht that promises memorable dining experiences.

## Master stateroom

---

The master stateroom on this yacht is a haven of luxury and comfort, strategically positioned forward on the main deck to offer both seclusion and ease of access. At its core is a queen-sized center-line bed, providing a lavish area for rest and relaxation. Flanking the bed are built-in nightstands, which add both practicality and elegance to the space.

The stateroom is embellished with velvet accents, enhancing its opulent and warm ambiance. A vanity table is included, offering a dedicated area for personal grooming and preparation, further elevating the room's luxurious atmosphere. The en suite bathroom ensures complete privacy and convenience, transforming the master stateroom into a self-contained retreat.

A distinctive feature of this stateroom is the Precor treadmill, ingeniously hidden beneath a removable floor panel, allowing for exercise routines without sacrificing space or aesthetics. A large window bathes the room in natural light, creating a bright and welcoming environment while providing breathtaking views of the surrounding seascape.

This master stateroom effortlessly blends luxury, functionality, and innovative design, making it a standout feature of the yacht that promises a restful and rejuvenating experience.

## Guest accommodations

---

The guest quarters on this yacht are meticulously crafted to offer both comfort and seclusion, positioned below deck to ensure a tranquil escape for visitors. These quarters include two identical staterooms, each outfitted with twin beds, located on the port and starboard sides. This arrangement is perfect for accommodating guests, providing both flexibility and ease.

The decor in the guest staterooms is light and welcoming, fostering a peaceful

ambiance that promotes relaxation. Large windows in each room allow natural light to pour in, enhancing the spacious and open feel while offering guests views of the surrounding seascape.

Each stateroom comes with its own en suite bathroom, ensuring guests have all the privacy and amenities necessary for a comfortable stay. These guest accommodations effortlessly combine style and practicality, making them a hospitable retreat for anyone on board.

## Mechanical

---

The mechanical systems of this yacht exemplify engineering excellence, guaranteeing both high performance and dependability on the open waters. Central to its propulsion are twin 2012 MTU 12V 2000 M93 engines, each producing a remarkable 1800 horsepower. These robust engines are paired with Racor fuel filters, with three dedicated to each engine, ensuring clean and efficient fuel delivery.

The yacht features KaMeWa jet drives, offering exceptional maneuverability and speed, making navigation through various sea conditions a pleasure. Power is generated by two 50kW Northern Lights generators, providing a consistent and reliable supply of electricity for all onboard systems.

Comfort is a priority, with the MarineAir air conditioning system maintaining an ideal climate throughout the yacht. For longer journeys, the Aquamiser watermaker supplies a continuous flow of fresh water, enhancing self-sufficiency. Stability is ensured with Koop Nautic SEAROCQ stabilizers, which reduce roll and increase comfort during travel.

The yacht is also fitted with a bow thruster, simplifying docking and maneuvering in confined spaces. Mastervolt battery chargers ensure all electrical systems are efficiently powered, while the Atlas Series 6 shore power system offers seamless connectivity when docked.

This comprehensive mechanical setup not only promises top-tier performance but also ensures that every voyage is smooth, comfortable, and enjoyable.

## Safety & firefighting equipment

---

The safety and firefighting systems on this yacht are carefully crafted to provide maximum protection for everyone on board. Each sleeping cabin is fitted with a 2.75-pound dry chemical fire extinguisher, ensuring immediate access to firefighting tools in personal areas. In the engine room, four 4.75-pound dry chemical extinguishers are strategically positioned to tackle any potential fire risks in this crucial space.

The yacht features an integrated firefighting system with two 75-pound CO2 units, delivering strong defense against larger fires. Additionally, auxiliary systems include a 220/24 volt fire pump and bilge pump, offering comprehensive coverage and swift response in emergencies.

For emergency location and rescue, the yacht is equipped with an ACR Globalfix 406 EPIRB, an essential device for notifying rescue services in case of an emergency. Safety is further bolstered with 33 adult lifejackets, ensuring all passengers have access to personal flotation devices. A round lifering with a light is also available, serving as a crucial tool for man-overboard scenarios.

This extensive array of safety and firefighting equipment highlights the yacht's dedication to the safety and security of its passengers, providing peace of mind while enjoying the water.

## Crew

---

The crew quarters on this yacht are crafted to offer both comfort and practicality, ensuring the crew can carry out their duties effectively while enjoying a comfortable living space. This area includes two double bunk cabins, each with its own en suite bathroom, providing privacy and

convenience for crew members.

Located forward of the cabins is the crew mess, a shared area where crew members can unwind and enjoy meals. It features a spacious V-shaped dinette, ideal for dining and gatherings, promoting a sense of camaraderie among the crew. The space is equipped with a TV for entertainment during leisure time and a ship's monitoring system, allowing the crew to oversee the yacht's operations at all times.

For safety and practicality, a ladder leads to an escape hatch, offering a secure exit in emergencies. Ample storage throughout the crew area ensures that personal items and equipment are neatly organized and easily accessible.

These well-equipped crew quarters are thoughtfully designed to balance the demands of work and relaxation, making them an essential part of the yacht's overall functionality and charm.
