DETAILED DESCRIPTION

Introduction

“The Beeliever” is a magnificent 103-foot yacht built by West Bay, capturing the spacious essence of a 112-foot Westport but with a slightly cozier depth in the Salon and Aft Deck. This vessel features an exquisite interior by Glade Johnson, showcasing stunning custom joinery and woodwork throughout. The use of American Cherry and Madrona woods is beautifully enhanced by the luxurious addition of marble, granite, and designer fabrics, creating an ambiance of sophisticated elegance.

Capable of hosting up to nine guests, “The Beeliever” offers four staterooms, each crafted for comfort and style. The yacht is equipped with four heads, plus an additional Day Head conveniently located at the main deck starboard Foyer. The Master Stateroom and two Guest Staterooms are accessible via a gracefully curved staircase from the port main deck Companionway, positioned forward of the Dining area. The VIP Stateroom, providing a private sanctuary, is located forward of the Country Kitchen Galley and is reached through another curved staircase. For the crew, a dedicated Lounge and accommodations are thoughtfully arranged aft, ensuring privacy and convenience for everyone on board.

Aft deck and swim platform

The aft deck of this yacht is crafted for both leisure and social gatherings, featuring built-in bench seating accompanied by four chairs around a spacious oval table, comfortably seating up to ten guests. This space is ideal for dining under the open sky or sipping cocktails at sunset. Elegant curved stairs on both the port and starboard sides descend gracefully to the swim platform, offering

easy access to the water. The salon can be reached through double sliding doors made of stainless steel, creating a seamless transition between indoor and outdoor areas.

To elevate your outdoor enjoyment, a wet bar is conveniently situated to port, equipped with a refrigerator to keep drinks cool. The starboard forward side provides access to the crew quarters and engine room, as well as the flybridge, ensuring all parts of the yacht are within easy reach. Additional entry to the crew quarters and engine room is available directly from the swim platform, offering flexibility and ease.

Safety is paramount, with safety gates on the aft deck leading down to the swim platform, ensuring secure movement around the yacht. For added comfort, a sunscreen is available for the bench seating, allowing guests to enjoy the deck in a variety of weather conditions.

Salon

The salon of this yacht is a full-beam marvel, providing a spacious and welcoming area for both relaxation and social interaction. On the port side, a cozy sofa is ideally placed next to a cocktail table and two end tables, creating a perfect spot for informal gatherings. The salon also includes two upholstered chairs and two swivel occasional chairs, offering plenty of seating choices for guests.

Elegant partial dividers subtly separate the salon from the dining area on both the port and starboard sides, preserving an open yet distinct flow between the spaces. Ample storage is ingeniously incorporated behind cherry cabinetry, ensuring the salon remains tidy and well-organized. A hidden cabinet on the starboard aft side contains an electric lift pop-up 48-inch Samsung TV, along with a range of entertainment components, seamlessly merging technology with style.

The custom overhead soffit detail with recessed lighting adds a layer of sophistication, enhancing the salon's ambiance. This area is meticulously designed to offer both comfort and elegance, making it an ideal retreat for guests on the yacht.

Dining

The dining area on this yacht spans the full beam, crafted to provide a refined and cozy environment for enjoying meals. It boasts a custom wood gloss table encircled by upholstered chairs, comfortably seating up to eight guests. This arrangement ensures that each dining occasion is both opulent and intimate, ideal for entertaining family and friends.

Strategically positioned built-in storage buffets on both the port and starboard sides offer generous space for storing dining necessities, keeping the area neat and organized. Ahead of the dining space, a well-equipped bar enhances the ambiance with its granite countertops, U-Line refrigerator, and icemaker, facilitating the easy serving of drinks and cocktails. This dining area effortlessly merges practicality with elegance, creating a sophisticated setting for unforgettable dining experiences on board.

Galley

The galley on this yacht is crafted in a "Country Kitchen" style, providing a welcoming and cozy area with seating for up to ten guests. It includes a raised dining settee with a wooden pedestal table and curved upholstered seating, creating an intimate setting for meals. A breakfast bar with two stools offers extra seating, ideal for casual dining or enjoying a morning coffee.

The galley is outfitted with Corian countertops and a backsplash with a beveled edge, adding a touch of sophistication to the space. The Frigidaire Professional side-by-side stainless steel double 36-inch refrigerator/freezers, installed in

2022, offer ample storage for all your culinary needs. Cooking is a delight with the KitchenAid 5-burner cooktop range and the newly added KitchenAid stainless steel oven from 2023. Additional appliances include a Whirlpool microwave oven, Whirlpool trash compactor, and a Miele stainless steel dishwasher, all contributing to a fully functional and efficient kitchen.

A stainless steel sink and a wine/beverage cooler enhance the galley's practicality, while extra storage cabinets provide plenty of space to keep everything organized. The wood grain flooring adds warmth, complemented by carpeting in the "Country Kitchen" area for added comfort. For entertainment, a Samsung TV is conveniently located in the starboard forward corner, making the galley not just a place for cooking, but a central hub for socializing and relaxation.

Day head

The day head on this yacht is strategically positioned off the starboard main deck companionway, ensuring guests have easy access. This tastefully designed area includes a vanity with an opulent marble countertop and sink, combining both utility and elegance. A vanity mirror enhances the setup, contributing to the room's refined atmosphere.

Outfitted with a Royal Flush head, the day head guarantees exceptional performance and comfort. The marble flooring elevates the overall aesthetic, seamlessly merging sophistication with practicality. This carefully crafted day head exemplifies the yacht's dedication to delivering a luxurious experience in every aspect.

Pilothouse

The pilothouse of this yacht serves as a center of cutting-edge navigation and comfort, accessible via stairs from the starboard companionway. It boasts an

inviting L-shaped seating area for guests, complete with a table, offering an ideal spot to unwind and enjoy the voyage while remaining close to the action. A full-size chart table provides ample room for plotting courses and planning navigation.

Conveniently located below in the doghouse is a Sub-Zero freezer, ensuring provisions are within easy reach during extended journeys. The pilothouse also features a staircase leading to the flybridge, equipped with a sliding door for a smooth transition between the two levels.

The navigation equipment and electronics in the pilothouse are thoroughly updated, placing state-of-the-art technology at the captain's disposal. This blend of comfort, functionality, and advanced technology makes the pilothouse a vital and sophisticated component of the yacht's design.

Master stateroom

The master stateroom on this yacht is a lavish haven, situated forward off the lower marble foyer at the base of the staircase. It boasts a grand double door entrance from the lower foyer, setting a tone of elegance. At the center of the stateroom lies a king-sized pedestal bed, flanked by two nightstands with reading lamps, creating an ideal sanctuary for rest and relaxation.

To port, a built-in six-drawer bureau provides ample storage, complemented by two spacious wardrobe closets, ensuring all personal items are neatly organized. On the starboard side, additional built-in cabinetry offers further storage solutions, while a built-in settee provides a cozy spot to unwind.

The aft bulkhead houses both a wardrobe closet and an entertainment center, seamlessly integrated to enhance the room's functionality and comfort. This master stateroom is thoughtfully designed to blend luxury with practicality, crafting a serene and sophisticated environment for the yacht's owners.

Master head

The master head of this yacht is a stunning en-suite bathroom, crafted to deliver the pinnacle of luxury and comfort. Situated forward in the owner's stateroom, it boasts his and hers marble baths, each featuring its own marble vanity with an under-mount sink. These vanities are enhanced by cabinet and drawer storage below, providing ample room for personal belongings.

The elegance of the space is further elevated by marble flooring, adding a layer of sophistication. At the heart of this opulent bath is an oval-shaped Jacuzzi tub/spa, encased in marble and equipped with a shower. This centerpiece is strategically placed between the his and hers sections, with glass doors allowing entry from either side, ensuring both privacy and convenience.

The master head also includes Royal Flush heads, guaranteeing superior performance and comfort. This carefully designed space merges opulence with functionality, creating a tranquil and indulgent retreat for the yacht's owners.

Guest stateroom / port

The guest stateroom on the port side of this yacht is a tastefully designed area crafted for comfort and relaxation. At its heart lies a queen-sized island bed, providing guests with a luxurious sleeping arrangement. On either side of the bed are built-in nightstands with drawers, offering convenient storage for personal belongings.

A spacious hanging wardrobe closet provides ample room for clothing, while additional built-in drawer storage is available both to port and aft, ensuring a well-organized space. The room is further enhanced by elegant marble countertops, adding a touch of sophistication to the decor.

Natural light streams through the porthole windows, which are fitted with sliding white shutters for privacy and light control. The stateroom is

illuminated by reading lamps and recessed lighting, creating a warm and inviting ambiance. An entertainment center with a TV is situated aft, providing guests with a variety of entertainment options.

The carpeted floor adds to the comfort and coziness of the space, making this guest stateroom a welcoming retreat for those aboard the yacht.

Guest head

The guest head on this yacht is a tastefully crafted area that seamlessly blends elegance with practicality. It boasts a marble vanity with an under-mount sink, adding a touch of luxury to the space. Beneath the sink, a storage cabinet provides a convenient spot for toiletries and other necessities, keeping the area neat and organized.

Above the sink, a framed mirror wall enhances the sense of space and brightness, while the stall shower offers a comfortable and private bathing experience. The marble flooring introduces a sophisticated element to the decor, complementing the overall aesthetic of the guest head.

A porthole above the head, fitted with sliding white shutters, allows natural light to enter while ensuring privacy. The space is illuminated by recessed lighting, creating a warm and welcoming ambiance. The inclusion of a Royal Flush head guarantees top-notch performance and comfort, making this guest head a practical and elegant feature of the yacht's amenities.

Guest stateroom / starboard

The guest stateroom on the starboard side of this yacht is meticulously crafted to ensure comfort and adaptability for its occupants. It includes twin lower beds, perfect for easily accommodating guests. Positioned between the beds, a three-drawer chest provides convenient storage for personal belongings, while reading lamps above each bed offer sufficient lighting for nighttime reading.

The room is bathed in light from recessed fixtures, creating a warm and inviting ambiance. For additional sleeping options, a single Pullman berth is situated above the outboard lower bed, which can be stored onboard when not in use, offering flexibility for larger groups.

A porthole above the head, fitted with white sliding shutters, allows natural light to filter in while ensuring privacy. The stateroom also features a spacious hanging wardrobe closet and built-in four-drawer storage, providing ample room for clothing and other items.

An entertainment center with a TV is located aft, offering guests a variety of entertainment choices during their stay. The carpeted floor enhances the comfort and coziness of the space, making this guest stateroom a welcoming retreat for those aboard the yacht.

Guest head

The guest head on this yacht is an exquisitely crafted area that effortlessly blends elegance with practicality. It boasts a marble vanity with an under-mount sink, infusing the room with a sense of luxury. Beneath the sink, a storage cabinet offers a convenient spot for toiletries and other essentials, keeping the space neat and organized.

Above the sink, a framed mirror wall enhances the perception of space and light, while the stall shower provides a comfortable and private bathing experience. The marble flooring introduces a sophisticated touch to the decor, complementing the overall aesthetic of the guest head.

A porthole above the head, fitted with white sliding shutters, allows natural light to enter while ensuring privacy. The space is illuminated by recessed lighting, creating a warm and welcoming ambiance. The inclusion of a Royal Flush head guarantees superior performance and comfort, making this guest head a practical and elegant feature of the yacht's amenities.

VIP stateroom

The VIP stateroom on this yacht is an opulent and welcoming area, situated forward of the galley and reached via an elegant curved staircase. At its center lies a queen-sized island bed, providing guests with a comfortable and stylish sleeping arrangement. The room features a carpeted floor, adding warmth and coziness to the setting.

Generous storage is available through large wardrobe closets and built-in drawer storage located to port, starboard, and aft, ensuring all personal items are neatly organized. The stateroom is further enhanced by marble countertops, adding a touch of sophistication to the decor.

Natural light streams through the porthole windows, which are fitted with sliding white shutters for privacy and light control. The room is illuminated by reading lamps and recessed lighting, creating a warm and inviting ambiance. An entertainment center with a TV is positioned aft, offering guests a variety of entertainment options.

For added convenience, a stacked washer and dryer, newly installed in 2024 by Frigidaire, is located at the base of the stairwell, ensuring guests have access to laundry facilities during their stay. This VIP stateroom is thoughtfully designed to blend luxury with practicality, making it an ideal retreat for guests aboard the yacht.

VIP head

The VIP head on this yacht is an opulent and meticulously designed area, crafted to deliver both comfort and sophistication. It includes a marble vanity with an under-mount sink, enhanced by a mirrored wall above that amplifies the sense of space and brightness. A storage cabinet provides practical space for toiletries and other essentials, keeping the area neat and organized.

The room is further elevated by a mirrored wall above the head, adding to the overall luxurious feel. The Jacuzzi tub and shower combination, enclosed with sliding glass doors, offers a soothing bathing experience. The marble flooring and tub/shower surround introduce a refined touch, seamlessly blending style with functionality.

A porthole above the tub allows natural light to stream in, while recessed lighting and an accent ceiling contribute to the warm and inviting ambiance. The inclusion of a Royal Flush head guarantees superior performance and comfort. This VIP head is thoughtfully designed to create a tranquil and indulgent environment, making it a perfect complement to the VIP stateroom.

Crew accommodations

The crew accommodations on this yacht are meticulously crafted to provide both comfort and practicality for the crew. Accessible via a protected stairway from the aft deck or directly from the swim platform, these quarters offer both convenience and security. The area includes upper and lower berths, ensuring comfortable sleeping arrangements for the crew.

Ample storage is provided with two hanging lockers and four storage drawers, allowing crew members to keep their personal items organized and within easy reach. A vanity with a sink offers a practical space for personal grooming, while the stall shower provides a private and convenient bathing option.

Additional storage space is available to accommodate any extra necessities, ensuring the crew can maintain a tidy and efficient living environment. The inclusion of a Royal Flush head guarantees superior performance and comfort. These crew accommodations are designed to offer a practical and comfortable living space, enabling the crew to perform their duties effectively while enjoying a pleasant onboard experience.

Captain's cabin

The captain's cabin on this yacht is a meticulously designed area that ensures both comfort and functionality for the captain. It includes a spacious double-sized bed for a restful night's sleep, complemented by an additional single Pullman berth overhead, offering flexibility in sleeping arrangements. The cabin is equipped with a large hanging locker and storage drawers, providing ample room for clothing and personal belongings.

A desk with storage offers a practical workspace for the captain to efficiently handle duties and paperwork. The cabin also features a vanity and sink, adding convenience for personal grooming. The en-suite bath is a standout feature, equipped with a Royal Flush head and a stall shower, ensuring privacy and comfort.

Additional storage solutions are available throughout the cabin, allowing the captain to maintain an organized and efficient living space. This captain's cabin is thoughtfully crafted to blend luxury with practicality, ensuring the captain can perform duties effectively while enjoying a comfortable and private retreat.

Crew lounge

The crew lounge on this yacht is a carefully crafted area that offers comfort and relaxation for the crew. It includes an L-shaped settee paired with a Corian table, creating an inviting space for dining and socializing. The lounge is outfitted with a refrigerator/freezer and a microwave/convection oven, providing crew members with convenient options for meal preparation and storage.

Corian countertops lend an elegant touch to the space, while a sink adds extra functionality for meal prep and cleanup. An entertainment center is part of the setup, offering various options for relaxation and leisure during downtime.

Ample storage is integrated throughout the lounge, allowing the crew to maintain an organized and tidy environment.

This crew lounge is designed to be a comfortable and practical retreat, ensuring that the crew can unwind and recharge in a pleasant setting after a day of work.

Entertainment equipment

The entertainment equipment on this yacht is crafted to deliver a complete and immersive experience for everyone on board. With Starlink installed in 2023, guests can enjoy high-speed internet connectivity, keeping them connected no matter where their journey leads. Complementing this, the Amazon Firestick, also added in 2023, provides a vast array of streaming options for endless entertainment.

In the salon, a Samsung 6300 48-inch TV serves as the focal point for viewing enjoyment, while the crew quarters are outfitted with a Samsung 19-inch and two 24-inch TVs, ensuring the crew can also relax during their downtime. The crew galley includes an additional Samsung TV, further enhancing the entertainment options available to the crew.

The master stateroom features a Samsung 32-inch TV for a private viewing experience, while both the guest stateroom and VIP stateroom are equipped with Samsung 28-inch TVs, ensuring all guests have access to quality entertainment. The galley is fitted with a Samsung 24-inch TV, adding to the comprehensive entertainment setup.

For satellite television, the yacht is equipped with a KVH M7 HD SAT TV system and seven DTV HD receivers, providing a wide selection of channels. The audio experience is elevated by a Sonamp 275SE, a Sony CD Changer CDP-CE 375, and a Yamaha Receiver RX-A2050, delivering high-quality sound throughout the yacht. The master stateroom includes a Yamaha Receiver RX-V459, while

the salon is equipped with a Sonos system for a seamless audio experience. On the flybridge, a Fusion Receiver ensures entertainment is accessible in every part of the yacht.

This extensive collection of entertainment equipment ensures that every moment on board is filled with enjoyment and relaxation, catering to the varied preferences of all guests and crew members.

Laundry equipment

The laundry equipment on this yacht is crafted to offer efficient and convenient solutions for all laundry needs on board. In the VIP companionway, a newly installed Frigidaire stacked washer and dryer, added in 2024, ensures guests have easy access to laundry facilities, allowing them to keep their clothing fresh and clean throughout their stay.

Moreover, the crew quarters are fitted with a new Frigidaire washer and dryer, also installed in 2024. This arrangement ensures the crew can efficiently handle their laundry requirements, contributing to a well-organized and smoothly functioning environment on board.

These modern laundry facilities are seamlessly integrated into the yacht's design, providing both guests and crew with the convenience and efficiency necessary for an enjoyable and comfortable experience at sea.

Navigation and communication equipment

The navigation and communication systems on this yacht are cutting-edge, guaranteeing precise and dependable performance in all conditions. The vessel is outfitted with a Garmin GMR2526 96-mile radar and a Garmin GMR 1224 24-mile radar, offering comprehensive coverage and situational awareness. The Nobeltec Time Zero stand-alone NAV PC provides advanced navigation capabilities, while two Ritchie 4" compasses ensure accurate

heading information.

For automated navigation, the yacht is equipped with a Robertson Autopilot with a Flybridge remote, complemented by a Simrad AP48, newly installed in 2022. The Garmin 9-axis Heading Sensor enhances navigational precision, and two Furuno LS-6000 Depth Sounders are installed in both the pilothouse and flybridge for accurate depth readings.

The yacht's plotting capabilities are strengthened by two Garmin GPS 8622 and GPSMAP 7616XSV Plotters, updated in 2024, ensuring the latest in navigation technology. A Garmin GMR 269 Wind/Speed Indicator and two Simrad Rudder Angle Indicators provide essential data for smooth sailing. Additionally, three Garmin GMI 20 Multidata displays offer comprehensive information at a glance.

On the flybridge, a Garmin 8610, installed in 2021, offers additional navigational support, while the Garmin GXM 53 Weather system keeps the crew informed of weather conditions. The Furuno AIS FA-170 enhances safety by automatically identifying nearby vessels.

Communication is facilitated by two Icom M-504 VHF Radios located in the pilothouse and flybridge, along with an ICOM 605 with remote capabilities for both the flybridge and wheelhouse. The KVH Mini SAT V3 ensures reliable satellite communication, keeping the yacht connected at all times.

This extensive array of navigation and communication equipment ensures that the yacht is well-prepared for any voyage, providing peace of mind and confidence to both the crew and guests.

Flybridge

The flybridge of this yacht is an opulent and adaptable area crafted for both leisure and entertainment. It boasts a hardtop with a four-sided enclosure, offering protection from the elements while providing panoramic views. An

L-shaped settee with a Corian Hi/Lo table creates a comfortable space for socializing and dining al fresco.

The flybridge features a fully equipped bar, complete with a Corian countertop, refrigerator, sink, and four stools, making it an ideal spot for hosting gatherings and enjoying drinks. For ultimate relaxation, a Jacuzzi hot tub accommodates up to six guests, providing a perfect retreat after a day of adventure.

A single step down leads to the boat deck, which is equipped with a davit, tender, and jet ski, ensuring water activities are always within easy reach. A molded stairway offers convenient access down to the aft deck, seamlessly connecting the flybridge with the rest of the yacht.

For those at the helm, the flybridge is fitted with three Crown helm chairs, providing comfort and excellent visibility. The comprehensive navigation and electronics package ensures the captain has all the tools necessary for safe and efficient navigation.

This flybridge is thoughtfully designed to offer a blend of luxury, functionality, and entertainment, making it a standout feature of the yacht's amenities.

Deck equipment

The deck equipment on this yacht is sturdy and crafted to enhance both functionality and safety. Leading the way is the dual Muir 4,500 lb. anchor windlass system, paired with two Danforth stainless steel 400 lb. anchors, ensuring secure mooring in diverse conditions. Each anchor is complemented by a 300-foot, 1/2-inch anchor chain, newly installed in 2021, providing dependable anchoring capabilities.

For handling tenders and other equipment, the yacht is equipped with a Steelhead 2,500 lb. capacity boat crane and davit, powered by a proprietary 24V power pack, ensuring efficient and safe operations. Access to the yacht is

facilitated by a 7-step aluminum Marquipt Sea Stairs and a 5-step Marquipt ladder, offering versatility and ease of boarding.

The molded swim platform, complete with a ladder, provides convenient access to the water, while three underwater transom lights enhance the yacht's aesthetic appeal and visibility at night. A Buell 3-trumpet horn ensures clear and effective signaling.

For connectivity, the yacht is equipped with three phone/TV/cable inlets, ensuring guests can stay connected while on board. The foredeck is designed for relaxation and enjoyment, featuring a full sunpad with rails, foredeck seating, and a bosun's locker for additional storage.

This comprehensive array of deck equipment ensures that the yacht is well-prepared for a variety of activities and conditions, providing both safety and enjoyment for all aboard.

Electrical systems

The electrical systems on this yacht are robust and carefully maintained to guarantee dependable performance. The yacht is powered by two 55kW Northern Lights generators, functioning at 220V/single phase/60 Hz. These generators have accumulated 9,845 hours on the port side and 9,869 hours on the starboard side, with both units having been rebuilt at 7,300 hours and equipped with new electrical ends in 2024.

The yacht features a 220V/single phase/60 Hz shore power system, supported by two 12V main engine starting batteries and a 12V generator battery with parallel capability. For general service, there are four 24V deep cycle marine batteries, and for emergency service, a 12V deep cycle marine battery is available. The shore power system includes four 100amp inlets, with two located at the bow and two aft, along with four 100-foot shore power cords and Glendinning power feeds for the aft cords.

The yacht's climate control is managed by a CruiseAir 15-ton air conditioning system, featuring a soft start and 13 air handlers. This system was updated in 2015, with new ductwork and control valves installed in 2023/2024. All batteries on board were replaced in 2023/2024, and the electrical system was further enhanced with new electrical transfer switches and breakers in 2024. For battery charging, the yacht is equipped with a 60 AMP Mastervolt battery charger, a 40 AMP Mastervolt battery charger, and a 12 AMP Newman battery charger. These comprehensive electrical systems ensure that the yacht operates smoothly and efficiently, providing peace of mind for both the crew and guests.

Mechanical equipment and engine room

The mechanical equipment and engine room of this yacht are outfitted with premium systems to guarantee peak performance and reliability. At the core of the yacht are two MTU DDC 12V2000 diesel engines, each producing 1,350 horsepower. These engines have accumulated 4,830 hours on the port side and 4,815 hours on the starboard side, propelling the yacht with power and efficiency. The engines are coupled with Twin Disc gears and 5-blade NiBral propellers measuring 42 inches by 36 inches, supported by Aquamet 22 shafts for smooth and dependable propulsion.

The yacht features a 1,200 GPD Sea Recovery watermaker with back flush, installed in 2021, ensuring a continuous supply of fresh water. Stability is maintained by Wesmar RS9 stabilizers with dual hydraulic pumps across two stations, and maneuverability is enhanced by a Wesmar 16-inch dual propeller bow thruster, delivering 65 horsepower across four stations.

The Sea Star hydraulic steering system, complete with a backup, provides precise control, while Racor 1,000 fuel filtration on the main engines and Racor 500 on the gensets ensure clean fuel delivery. The Headhunter Royal Flush sanitary system, newly installed in 2024, includes a macerator for efficient

waste management.

The yacht's freshwater needs are met by two 110V Headhunter Mach V freshwater systems, each with a 12V backup, and the Spot Zero system ensures water purity. Comfort is further enhanced by two new hot water heaters installed in 2023 and an air compressor for various onboard needs.

This comprehensive suite of mechanical equipment ensures that the yacht operates smoothly and efficiently, providing peace of mind and comfort for all aboard.

Safety and fire fighting equipment

The safety and fire fighting equipment on this yacht is extensive and crafted to provide the utmost security and protection for everyone on board. In the owner's stateroom, a ship's safe offers secure storage for valuables. The yacht features a fixed Halon system, specifically the Halon FM200, located on the flybridge, which provides effective fire suppression capabilities.

Portable fire extinguishers are strategically placed throughout the vessel to ensure immediate response in case of a fire. The yacht is also equipped with a variety of alarms, including security, smoke, fire, and ship's systems alarms, ensuring that any potential issues are quickly identified and addressed.

For emergency situations, the yacht is equipped with an 8-man Pro Light / PL JR8-0134 life raft, offering a reliable means of evacuation if necessary. Life rings are also available for additional safety. An EPIRB (Emergency Position Indicating Radio Beacon) is on board, ensuring that the yacht's location can be quickly identified in an emergency.

The yacht is further equipped with a USCG safety package, which includes flares, providing essential signaling capabilities. This comprehensive array of safety and fire fighting equipment ensures that the yacht is well-prepared to handle any emergency, providing peace of mind for both the crew and guests.

Tender and toys

The tender and toys on this yacht are crafted to elevate the onboard experience, providing both convenience and excitement for guests. The 2024 13-foot East Marine tender is powered by a robust 40hp 4-stroke Suzuki outboard engine, ensuring smooth and efficient travel to and from the yacht. This tender is also equipped with a Garmin GPS, VHF radio, stereo system, and a Bimini top, offering both functionality and comfort for excursions.

Alongside the tender, the yacht includes a Yamaha Wave Runner, delivering exhilarating water sports opportunities for guests seeking adventure. This combination of tender and water toys ensures that guests have a variety of options for exploring and enjoying the water, making every moment on board memorable and enjoyable.

Exclusions

The name "THE BEELIEVER" is a registered title and will not be transferred with the yacht's sale. Items excluded from the sale encompass, but are not limited to, all personal belongings of the owner. A thorough and detailed list of exclusions will be provided at the time of sale and is available upon written request. This ensures that all parties are completely informed about what is included and excluded in the transaction, offering clarity and transparency throughout the sales process.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
