DETAILED DESCRIPTION

Section name

This exquisite motor yacht, built by the renowned Sanlorenzo, is a masterpiece of nautical engineering and design. The SL 104 model, with hull number 579, boasts an exterior and interior crafted by the acclaimed Francesco Paszkowski, ensuring a seamless blend of style and functionality. Launched in 2012 and meticulously refitted in 2020, this yacht is classified under RINA, with a comprehensive 5-year survey and renewal of class completed in the same year. Constructed with a GRP hull and superstructure, complemented by teak decks, the yacht exudes both durability and elegance.

Flying the Maltese flag, this vessel is powered by two MTU 16V 2000 M 93 engines, each delivering 1,812 kW (2,430 Hp), allowing for a maximum speed of 29 knots and a cruising speed of 25 knots. For those who prefer a more leisurely pace, the yacht offers an economical speed of 10 knots, with a range of 1,400 nautical miles at this speed. Fuel consumption is efficient at 80 litres per hour. The yacht's dimensions are impressive, with a length overall of 31.70 meters (104 feet), a beam of 7.05 meters (23 feet 2 inches), and a draft of 2.15 meters (7 feet 1 inch) at maximum.

Accommodations are luxurious, with space for 8 guests across 4 cabins, and facilities for a crew of up to 6 in 3 cabins. The interior is contemporary, featuring high gloss light grey and off-white lacquer with parquet flooring, and is bathed in natural light from large side windows. The main deck houses a spacious master cabin with a walk-in wardrobe and large bathroom, while the lower deck offers a large VIP cabin and two double cabins, all with queen-size beds and en-suite facilities. The crew quarters are well-appointed, with a large galley and crew mess.

The flybridge is a highlight, accessible from both the aft deck and wheelhouse,

and features a large Boffi kitchen top and exclusive modern Paola Lenti furniture. Mechanical equipment includes two Kohler generators, CMC Marine stabilisers, and a Condaria air conditioning system. The yacht is equipped with a comprehensive suite of navigation equipment, including Raymarine Platinum configuration, compasses, radars, an automatic pilot, chart plotter, GPS, and wind instruments.

Deck equipment is extensive, featuring anchors, anchor windlasses, aft capstans, a hydraulic passerelle, and various electro-hydraulic systems for gangway steps, swim ladder, concealed shower, garage hatch, and tender and jet ski haulage and launch. The yacht also includes a 4.45-meter Williams Jet Tender.

The 2020 refit and maintenance included significant upgrades and inspections by Atlante Marine Solutions, Nautica Sardacantieri, and RINA, ensuring the yacht is in immaculate condition. Key features of this yacht include VAT paid status, immaculate maintenance, private ownership with great charter potential, and a comprehensive interior refit and mechanical upgrade in 2020. This yacht represents the pinnacle of luxury and performance on the water.
