OVERVIEW

LADY LUNA marries graceful exterior lines with intelligent layout decisions, offering versatile cruising capability wrapped in luxurious appointments. Presented in superb condition, this motor yacht strikes a poised equilibrium between comfort and performance, equally at ease on private family passages or as a standout in high end charter yacht programs.

Within, generous volume and abundant natural light are orchestrated to produce a warm, contemporary atmosphere. Accommodation is arranged for up to 10 guests across five en suite staterooms, anchored by a full beam owner's suite of approximately 20 m². Refined lounges, fluid circulation and meticulous detailing enhance everyday living, peaceful respite and spirited entertaining while under way.

Outside, expansive decks create multiple zones for alfresco dining, sunbathing and panoramic sea view lounging, with a seamless flow between salon and exterior areas that encourages sociable living. Dependable engineering and genuine turnkey readiness inspire confidence for immediate season cruising. Built to RINA commercial standards with Charter Class Short Range compliance, LADY LUNA combines professional pedigree and strong charter appeal, making her a compelling choice for discerning buyers seeking a stylish, adaptable luxury motor yacht with broad cruising capability in the premium motor yacht category.

DETAILED DESCRIPTION

Accommodations

Thoughtfully arranged for privacy and ease, the yacht offers 5 welcoming guest cabins to host up to 10 guests in refined comfort, ensuring every traveler enjoys restorative nights and tranquil mornings at sea.

Tender and toys

A Williams 4x56 tender stands ready to whisk guests ashore, glide into hidden coves, and elevate every transfer with confident power and smooth precision.

Audio & visual equipment

Entertainment flows effortlessly with a curated suite that includes Samsung TV displays, Apple TV integration, and a dedicated projection setup, enriched by an Encore JBL sound system and the intuitive BluOS platform for immersive, whole yacht audio.

Machinery

Confident performance is delivered by twin MAN main engines rated at 650 Hp each, showing approximately 428 hours as of April 2026, paired to ZF gearboxes (models 30173547/30173547) with a 3.5:1 ratio. Propulsion output is specified at 50 kW to 40 kW, while precise handling comes via a Data Hydraulic steering system, model 220V-DES 27-4E1,5 AC-S.

Generators & auxiliary equipment

Onboard autonomy is underpinned by 2 Onan generators showing approximately 1,690 hours as of April 2026, supported by shore power compatibility at 380–400 V. Starting systems feature 24 V packs, four in total, serving both main engines and generators, while climate control is entrusted to Dometic Italy Marine Condaria air conditioning.

Ancillary equipment

Daily operations are refined by 2 water makers and a comprehensive fresh water system comprising 2 Selmar Pacific units producing 300 lt per hour each. Comfort and control are enhanced by Dometic Italy Marine Condaria air conditioning, HUMPHREE-24V stabilizers, and a Sea Master bow thruster rated at 15 kW, 48 V. Clean, reliable running is supported by TF Marine fuel filtration in both 24 V and 220 V, a Selmar Blue Sea 3500 Plus sewage treatment system, and TF Marine bilge filtration via a dedicated pump.

Safety & security equipment

Vigilant protection comes from an LG CCTV network with 3 monitors, an aerosol fire control system, 19 fire extinguishers, and Siemens alarms. Readiness at sea is further assured by 4 life rafts, 2 life rings, 1 EPIRB, and 15 flares, complemented by both SART and AIS SART units, one each, and a well-stocked medical cabinet.

Communication equipment

Clear communications are provided by an Ocean Signal SSB 2 and a JRC VHF, model JHS-800S, ensuring reliable reach and clarity underway and in port.

Navigation equipment

Confident passage-making is guided by 2 Garmin radars and a Garmin GHC 50 autopilot, with navigation displayed on twin Garmin GPS/plotters alongside the GHC 50 interface. Low light awareness is elevated by a FLIR M232 night vision camera system, and weather and safety broadcasts are received via a JRC Navtex Ncr-333.

Deck equipment

Mooring and anchoring are handled with authority by 2 Maxwell anchor windlasses and 2 Maxwell aft warping capstans, working with 2 anchors of 265 kg each and twin lengths of anchor chain at 165 m each. Guest embarkation is seamless via an Opacmare passerelle, while a stainless steel swim platform and an Opacmare hydraulic platform invite effortless access to the sea.

Office equipment

Shipboard administration is streamlined by an HP printer, ready for charters, itineraries, and guest requests alike.

Galley and domestic equipment

Culinary service is elevated by Fagor cooking equipment installed in both the main and additional galley, complemented by Fagor refrigeration/freezer units and a Fagor dishwasher, while laundry needs are met by 2 Siemens washing machines—ensuring hospitality runs flawlessly from dawn to dusk.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
