## OVERVIEW

---

Step aboard "OUR ALEPH," a 2022 Sanlorenzo SL106A luxury motor yacht. From salon to decks, movement is effortless, with an ingenious asymmetric layout maximizing interior volume and opening direct access to the outdoors. At 106 feet, this sleek planing superyacht delivers exhilarating performance courtesy of twin MTU 16V M96s, topping out around 28 knots. Impeccably kept and continually enhanced under a meticulous captain and crew, OUR ALEPH feels better than new. A contemporary flybridge cruiser with raised pilothouse poise, she blends Italian design, comfort, and blue-water capability.

# GALLERY

---

# DETAILED DESCRIPTION

---

## Highlights

---

Curated as an exclusive Americas Edition Package, this yacht arrives impeccably prepared with fresh bottom paint applied in March 2025, PropSpeed protection completed in March 2025, and a full hull compound and wax in March 2025. Power systems are world-ready thanks to an ASEA shore power converter, while a zero-speed stabilizer ensures serene comfort at anchor. Low hours, dramatic underwater lights, and a Watermaker 1800-2 amplify autonomy at sea, with seamless connectivity provided by Starlink. Confidence is further assured by build to RINA class standards and peace of mind with U.S. duty paid.

## Salon

---

The salon welcomes with two sofas with chaises, complemented by two coffee tables and two end tables, creating a refined space for conversation and relaxation. A wall-mounted 86" smart TV anchors the forward bulkhead, while a bar cabinet aft and full-height cabinetry forward—glassware to port and china to starboard—keep entertaining effortless. Premium refrigeration includes a Sub-Zero wine cooler, an Isotherm ice maker, and a Frignautica refrigerator. Electric shades and an electrically actuated moving bulwark on the port side pair with floor-to-ceiling windows to bathe the room in light, as starboard's two large sliding doors open to the folding balcony. Immersive sound is delivered by a Denon In-Command Series AVR X4700H integrated network AV receiver with AirPlay, complemented by Apple TV, while a dining table with 8 chairs invites elegant dinners with a view.

## Galley

---

Designed for serious culinary work, the galley features a Miele electric four-plate cooktop beneath an integrated extraction hood, a Miele dishwasher, a Miele conventional oven, and a GE microwave oven for rapid versatility. Cold storage is generous with two SubZero Commercial refrigerators, each with two freezer drawers, while dedicated storage and pantry solutions keep provisions perfectly organized.

## Owner's stateroom

---

The on-deck master stateroom begins with a gracious entrance foyer and a portside bathroom, with wardrobes lining starboard for impeccable organization. A king-size bed with four storage drawers beneath anchors the suite, flanked by nightstands and wall furniture integrating a smart TV and a vanity, with a safe for valuables. Private access to the starboard sidedeck invites quiet escapes outside. Entertainment and control are seamless via a Denon In-Command Series AVR-X1600H integrated network AV receiver with AirPlay and an iPad mini for centralized control with docking station.

## Owner's head

---

The owner's bathroom is appointed with a washbasin set into a marble benchtop with drawers, elegant mirrors, and efficient air conditioning. Marble flooring elevates the ambiance, while the WC with hydro brush bidet completes a spa-like experience.

## Port VIP stateroom

---

The port VIP offers a queen-size bed with four drawers for discreet storage,

flanked by nightstands and anchored by a Smart LED TV. Audio is powered by a Denon In-Command Series AVR-X1600H integrated network AV receiver with AirPlay and a compact HiFi system, while plush carpet underfoot adds a layer of quiet luxury.

## Starboard VIP stateroom

---

The starboard VIP mirrors the level of comfort with a queen-size bed with four drawers, nightstands, and a Smart LED TV. A Denon In-Command Series AVR-X1600H with AirPlay pairs with a compact HiFi system, and carpeted flooring completes the serene retreat.

## Starboard VIP stateroom head

---

Refined and practical, the starboard VIP head features a shower with handset, overhead shower head, and a tempered glass door, complemented by an air extractor. Marble flooring and a washbasin with marble top meet a mirrored cupboard, efficient air conditioning, and a WC with hydro brush bidet.

## Starboard & port guest stateroom

---

Both guest staterooms to starboard and port are appointed with one queen berth, a Smart LED TV, and an amplifier paired with a Denon In-Command Series AVR-X1600H integrated network AV receiver with AirPlay. A hanging wardrobe and carpeted flooring ensure comfort and order for extended cruising.

## Starboard & port guest head

---

Each guest bathroom is fitted with a shower featuring a handset, shower head, and tempered glass door, aided by an air extractor. Marble flooring underpins

a washbasin with a marble top, a cupboard and mirror, efficient air conditioning, and a WC with hydro brush, with marble continuing throughout for a cohesive finish.

## Main deck day head

---

Conveniently located for guests, the main deck day head includes a WC with hydro brush, a refined washbasin and mirror, an air extractor for freshness, and marble flooring for a touch of luxury.

## Main deck & aft cockpit

---

Outdoor living excels with teak decking across the main deck and stainless-steel oval handrails leading to the swim platform and flybridge. The swimming platform is powered by an electro-hydraulic system, complemented by a retractable electro-hydraulic gangway and a dedicated swimming ladder. Practicalities include electrical shoreline sockets in a dedicated stern hatch, a fresh water filling station with shore water connection and a hot/cold shower mixer, plus a shore connection for black water discharge in its own stern hatch. Overhead speakers tie into the saloon system, and a tender garage stands ready for effortless launches.

## Captain / crew quarters

---

The captain's quarters offer a queen berth, closet, ensuite head, and TV, while two crew cabins with over/under bunks each feature their own ensuite heads. A comfortable settee with dining table creates a proper mess area, with double washer and dryers located in the crew zone. The crew mess TV with integrated amp and surround keeps downtime engaging.

---

## Wheelhouse

---

Command is effortless from a leather-covered dashboard with full navigation instruments and a leather-clad pilot's armchair with electric adjustment. A nautical chart table and storage cabinet enhance practicality, while timber stairs treated with a non-slip finish lead to the flybridge, and timber flooring completes the professional ambiance.

---

## Flybridge

---

The flybridge is an open-air sanctuary with a sunshade supported by graphite poles, a full bar with sink, an electric KENYON BBQ, an ISOTHERM ice-maker, and a FRIGONAUTICA refrigerator. A deck washing outlet in the bar area adds convenience, while a table for ten with chairs invites long alfresco meals. A sunbathing area with 3 sunbeds, Smart TV, and control with iPad Mini make this the social heart of the yacht.

---

## Flybridge cockpit

---

All primary controls are at hand with main engine controls and instruments, comprehensive navigation electronics, and dedicated switches for trim tabs, navigation lights, horn, bow thruster, stabilizer, and searchlight. A magnetic compass stands by for traditional reference, while bench seating for two on both port and starboard keeps co-pilots and guests comfortably engaged underway.

---

## Electronics

---

The helm is comprehensively outfitted with four GARMIN GPSMAP 8622 22" touchscreens and one GARMIN GPSMAP 743 7" touchscreen, while the

flybridge features two GARMIN GPSMAP 8616 16" touchscreens and one GARMIN GPSMAP 743 7" touchscreen. Communications and awareness include GARMIN AIS800, radar via GARMIN GMR424, depth sounding with an AIRMAR transducer, and a GARMIN 315 marine radio. Precision guidance comes from a GARMIN Reactor 40 autopilot, a SUNSHIN spotlight operable from both wheelhouse and flybridge, and GARMIN wind speed and direction inputs, all integrated with the SANLORENZO monitoring system.

## Mechanical

---

Cruising comfort is assured by a tropicalized air conditioning system with twin chillers and insulated chilled-water piping, further enhanced by an upgraded 240,000 BTU air conditioning capacity and ozone treatment for pristine air quality. Shore power is universally compatible via an ASEA Shore Power Converter, while Zero Speed Stabilizers deliver exceptional stability. Power generation comes from two 45 kw generators (400 vac / 3 phase) with a single 400 vac / 3 phase shore power connection, showing 1800 port gen / 2200 stbd gen. Extended independence is supported by a water maker producing 1,152 gal per day and a NOVEC fire fighting system for safety.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
