## OVERVIEW

---

B TWO, formerly Nassica, is a 32.50 m Astondoa 106 GLX flybridge motor yacht launched in 2010 and lovingly renewed with a comprehensive refit in 2022. Sleek exterior lines and Astondoa pedigree meet a refined interior penned by Cristiano Gatto, creating a modern superyacht that welcomes up to nine guests across four generous cabins while a dedicated crew of five attends every need. As a planing flybridge motor yacht designed for both style and practicality, she sits perfectly within the categories of luxury yacht, superyacht interior, and crewed yacht — ideal as a flybridge yacht, charter yacht, and family-friendly cruiser.

Her decks are composed for leisure and conviviality: the sun deck offers built-in lounge sofas with coffee tables, a forward helm with companion seating, a semi-circular dining nook sheltered beneath a hardtop, and sunpads aft for languid sunbathing. The foredeck invites repose with two tiers of sunbeds and an intimate seating area with tables, while aft the cockpit becomes the principal alfresco dining room, shaded by the flybridge overhang and perfectly arranged for long, leisurely meals prepared by the onboard chef. Inside, the main salon exudes understated glamour with plush seating and a stylish bar, flowing forward to a separate dining galley and the principal helm for an elegant, functional arrangement. Below decks lie four chic en-suite cabins that offer privacy and versatility: a full-beam master suite, two twin cabins, and a twin with an additional Pullman berth to starboard, accommodating flexible family or friends' configurations without compromise. Underwater, performance is assured by twin MTU engines delivering 2000 HP each, propelling B TWO to a top speed of 24 knots while she cruises smoothly at 14 knots, striking a balance between spirited performance and comfortable passage-making. With contemporary styling, a versatile deck plan and meticulous attention to detail, B TWO promises an unforgettable charter

experience — a seamless blend of elegance, relaxation and a touch of adventure on every voyage.
