## OVERVIEW

---

**\*\*FIFTY SHADES\*\*** is the most competitively priced SL106 on the market! This exquisite yacht is now available for purchase and stands out as the most luxurious and well-appointed Sanlorenzo SL106 you can find. In 2022, the current owner invested over \$500,000 to elevate this already impressive vessel to new heights. Collaborating with interior designer Cullen Moser, who previously worked on their former yacht, they transformed the interior with vibrant and unique upholstery and fabrics, creating a distinctive and lively ambiance. Custom artwork enhances this theme throughout the yacht's elegant spaces. Featuring a master suite on the main deck and four additional guest staterooms, each with its own ensuite bathroom, FIFTY SHADES is perfect for large families or charter opportunities. The aft garage houses a 2020 Williams jet tender, a jet ski, and various water sports equipment, complemented by a hydraulic swim platform for effortless sea access. The yacht has recently undergone the 2000-hour service on its MTU engines, which are under warranty until November 2025. These MTU 16V2000 engines deliver cruising speeds of 20-22 knots and can reach a maximum speed of over 29 knots. The yacht's impeccable condition extends to its engineering, with numerous upgrades and replacements of equipment and parts. FIFTY SHADES is among the finest five-stateroom yachts available and must be seen in person to truly appreciate its grandeur. If you're considering a yacht sale in the current boat location, this is an opportunity not to be missed.
