OVERVIEW

Launched in June 2025, the Numarine 32XP is a 32 meter explorer superyacht that marries robust construction, long-range capability and uncompromising onboard comfort for true blue water cruising in elegant style. Her full displacement steel hull, penned by naval architect Umberto Tagliavini, provides composed, efficient passages, while sweeping panoramic windows bathe the interior in natural light and shape a refined, contemporary atmosphere perfectly suited to an expedition motor yacht.

Inside, a luminous main salon is anchored by a sculptural marble dining table and served by a fully appointed galley, with a dedicated gym further enhancing life aboard. Accommodation is arranged for 10 guests across five en suite staterooms: a main deck owner's suite, two VIP cabins and two twin cabins that convert to doubles. Crew quarters comprise four cabins accommodating up to seven professionals, ensuring discreet and capable service.

Outdoor living is designed for both relaxation and entertaining, with a flybridge featuring bar and lounge areas, an inviting upper deck for alfresco moments and a beach club at water level — signature elements of a versatile flybridge yacht and a long range cruiser.

Power, performance and peace of mind are delivered by twin MAN 800 hp engines, supported by fin stabilizers, a comprehensive Furuno navigation suite and advanced water and fuel purification systems that extend autonomy. The shipyard warranty is valid through July 2027, and as the only Numarine 32XP built to commercial compliance, she represents a rare expedition yacht opportunity.

DETAILED DESCRIPTION

Numarine 32XP 2025

Delivered in June 2025, the Numarine 32XP is a 32 meter expedition yacht that fuses robustness, autonomy, and absolute comfort for effortless long range cruising, her purposeful stance matched by genuine bluewater capability that invites you to venture farther with confidence. A full displacement steel hull by Umberto Tagliavini underpins stable, efficient passages, while expansive panoramic glazing floods the interiors with natural light, shaping an elegant, contemporary ambience throughout. Inside, a spacious and luminous main salon centers on a marble dining table, complemented by a fully equipped galley and a dedicated gym for wellbeing under way. Accommodation is thoughtfully arranged for 10 guests in 5 en suite cabins: a serene master suite on the main deck, two generous VIP cabins, and two convertible twin cabins offering flexible sleeping arrangements, while crew are comfortably housed in 4 cabins for up to 7 crew members, ensuring discrete, professional service on every passage. Outdoor living unfolds across carefully conceived decks: a flybridge with a bar and lounge for relaxed entertaining, a welcoming upper deck that invites lingering sundowners, and a beach club at sea level that places you right on the water's edge. Power, performance and peace of mind are integral to her specification, with twin MAN engines rated at 800 hp each paired with fin stabilizers for composed comfort, while comprehensive Furuno navigation systems and water and fuel purification systems deliver exceptional autonomy; the shipyard's warranty is valid until July 2027. Notably, this is the only commercially compliant Numarine 32XP ever produced, a rare example where seafaring capability and refined onboard living are uncompromised.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
