DETAILED DESCRIPTION

About the yacht

At 33 metres and launched in 2020, the Custom Line Navetta 33 marries modern Italian styling with high-caliber naval engineering to create an elevated life at sea for owners who value refined design, supreme comfort and effortless cruising. The yacht achieves a refined equilibrium of aesthetics, functionality and performance, surrounding guests with a calm, assured atmosphere on every voyage.

Arranged over four expansive decks, the layout emphasizes generous volume and privacy, with living areas that transition smoothly between indoor and outdoor settings. The interior accommodation comprises five guest cabins, sleeping up to ten guests in sumptuous comfort, while a full-beam master suite provides a peaceful private retreat. The additional staterooms are finished with elegant materials, plentiful natural light and en-suite bathrooms to guarantee comfort on every passage.

The panoramic saloon forms the social heart of the yacht, its broad windows flooding the space with daylight and unbroken views of the horizon. A restrained palette of contemporary materials and carefully considered details create an environment that is both sophisticated and welcoming, ideal for everything from a leisurely morning coffee to intimate evening dining or watching the sun dip below the water.

Outdoor amenities are designed for conviviality and relaxation. The generous sun deck offers extensive lounging and seating areas for daylong enjoyment, and the large beach club provides direct, effortless access to the sea for swimming, watersports or simply relaxing at water level. Multiple exterior lounges allow guests to move easily between shaded retreats and open-air vantage points throughout the day.

Purpose-built for comfortable cruising, the Navetta 33's displacement-oriented hull delivers outstanding stability and seaworthiness, ensuring a smooth, composed ride even on extended passages. Advanced stabilization systems markedly reduce rolling both at anchor and underway, creating a quieter, more comfortable onboard environment for everyone.

Performance and range are well suited to extended Mediterranean itineraries as well as relaxed coastal cruising. Efficient engineering permits comfortable passages between destinations while maintaining Custom Line's exacting standards of onboard luxury, granting the freedom to explore secluded bays, island archipelagos and elegant coastal ports with ease.

Every element of the 2020 Custom Line Navetta 33 has been conceived to convey effortless luxury: the graceful exterior lines and wide deck spaces complement tastefully appointed interiors and sophisticated onboard technology to deliver privacy, comfort and style. Generous crew quarters support discreet, professional service so guests can fully unwind from the moment they step aboard.

More than simply a yacht, the Navetta 33 is a private sanctuary designed to savour the sea in absolute comfort. Italian craftsmanship, thoughtful design, advanced systems and exemplary liveability converge to create an intimate, luxurious experience — whether cruising with family, entertaining friends or escaping to remote horizons, the Navetta 33 offers an elegant, spacious and understatedly refined way to embrace life at sea.

Other details

Propelled by twin MAN main engines, each rated at 1,400 HP and registering 1,825 hours, the yacht delivers assured performance backed by solid engineering. Onboard electrical supply is provided by two Kohler generators of 55 kW apiece, with service hours logged at 6,455 and 6,467 respectively. Seakeeping and onboard comfort are significantly improved by an ABT fin

stabilizer working alongside two Seakeeper gyro stabilizers, offering calm and composure both underway and at rest. A Williams 505 D tender, bearing 571 operating hours, complements the vessel's leisure capabilities. Classification and compliance are fully maintained, with the five year RINA survey completed prior to the 2025 season and the annual RINA survey finalized before the 2026 season.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
