DETAILED DESCRIPTION

Section name

Since its debut, the Majesty 100 has captured global attention, renowned for its distinctive enclosed sky-lounge and a propulsion system that is both powerful and efficient. This superyacht elevates Majesty Yachts owners to a new level of prestige with its opulent interiors and expansive relaxation spaces. The model's timeless exterior design and uncompromising naval engineering are beautifully matched by its exquisite interior craftsmanship. Already a recipient of numerous awards, the Majesty 100 is packed with a variety of unique features. Notable among these are the sky-lounge deck and the folding balconies on either side, which significantly enhance the yacht's allure. The Majesty 100 stands out for its exceptional use of onboard space and forward-thinking design, providing owners with an uninterrupted luxury cruising experience. Stretching over an impressive 31.7 meters in length, the superyacht's grandeur is apparent in every detail, from the distinctive sky lounge and efficient propulsion system to the sumptuous interiors and abundant lounging areas.

Technical specifications

The Majesty 100 stands as a testament to exceptional engineering and design, featuring an impressive overall length of 108 feet 4 inches (33.04 meters) and a maximum width of 22 feet 6 inches (6.90 meters). With a draft of 5 feet 5 inches (1.67 meters), this superyacht is crafted to effortlessly traverse diverse waters. Weighing in at approximately 136 tons, it promises a stable and smooth sailing experience.

The yacht's fuel capacity is a substantial 4,000 US gallons (15,142 liters),

enabling long-distance travel without the need for frequent refueling. It holds 800 US gallons (3,028 liters) of fresh water, while both black and grey water tanks have a capacity of 200 US gallons (757 liters) each, providing ample resources for extended trips.

The Majesty 100 is powered by two formidable engines, each producing 1,900 horsepower, ensuring remarkable speed and efficiency. Furthermore, it is fitted with two generators, each with a capacity of 55 kW and operating at 50 Hz, guaranteeing a dependable power supply for all onboard systems and comforts. This blend of technical features makes the Majesty 100 an outstanding option for those in pursuit of luxury and performance on the high seas.
