DETAILED DESCRIPTION

Description

The Custom Line Navetta 33 presents itself with quiet assurance—understated yet commanding, beautifully proportioned and impeccably balanced. Her graceful tri-deck silhouette and classic exterior lines yield impressive interior volume, an appealing proposition for owners who favor refined comfort and discretion rather than ostentation. Offered off market as a private opportunity, she is a rare offering and remains highly sought after by discerning buyers familiar with the model's merits.

A full-beam master suite on the main deck establishes an elegant focal point, while a thoughtfully arranged guest accommodation plan below deck maintains perfect balance throughout. The main salon is awash with natural light and the sky lounge is equally luminous, both spaces encouraging relaxed living and effortless entertaining. Generous al fresco areas extend across the three decks, providing multiple settings for dining, socializing or quiet reflection while at sea.

Beneath her composed exterior lies a well-engineered semi-displacement hull designed for capable long-range cruising, delivering tranquil seakeeping alongside the range and efficiency to venture far beyond the horizon.
