OVERVIEW

OKIOS is a remarkable 2026 Hargrave Custom 108 Beach Club, custom commissioned by an experienced yachting family with an extensive background in new-builds. Designed with a clear emphasis on comfort, volume, and long-range capability, she represents a thoughtful evolution of Hargrave's proven 108-foot platform. As Hargrave's latest delivery currently offered to the market, OKIOS pairs interior volume more commonly found aboard 120-foot yachts with the performance and seakeeping of a wide-beam Jack Sarin offshore hull design.
