## OVERVIEW

---

The 108 Predator stands as a premier representation of large express yachts, and this particular model is no exception. Unlike the majority of 108s equipped with triple engines, this vessel features the more sought-after twin engines, effortlessly achieving speeds of up to 35 knots.

Meticulously cared for by an experienced owner who has previously owned several large Sunseekers, this yacht for sale reflects a commitment to excellence. The owner has invested significantly in its upkeep, as detailed in the Recent Updates and Services section below. This turn-key yacht is primed for your next extraordinary journey, offering an exhilarating and exclusive experience at a moment's notice.

Accommodating up to 8 guests across 4 luxurious cabins—comprising (1) King, (1) Queen, and (2) Doubles, each with en-suite facilities—this 108 Predator adheres to the standard specifications. However, the extensive list of optional features elevates this yacht sale, making it one of the most highly equipped models to emerge from the Sunseeker International shipyard. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises both elegance and performance.
