# DETAILED DESCRIPTION

---

## General description

---

The Pershing 108 is a luxury performance yacht built by Pershing Yachts, part of the Ferretti Group, celebrated for a sleek profile, exhilarating speed and uncompromising comfort that appeal to discerning enthusiasts who demand both pulse quickening performance and lavish refinement. Measuring 33 meters (108 feet) in length with a beam of 6.7 meters (22 feet) and a draft of 1.8 meters (5.9 feet), the yacht displaces approximately 116 tons and carries the autonomy to roam far and fast with a fuel capacity of approximately 3,170 gal and a water capacity of approximately 528 gal. Triple MTU 16V 2000 M96L engines, each delivering 2,638 HP, propel the Pershing 108 to a top speed of approximately 41 knots and an effortless cruising speed of approximately 35 knots, offering a range of approximately 350–400 nautical miles at cruising speed; the triple engine configuration with surface drives ensures remarkable acceleration, crisp handling and confident sea keeping that reward a spirited helm. Inside, four beautifully appointed staterooms—comprising a full beam master suite, a VIP cabin and two guest cabins—comfortably host up to eight to ten guests, while three crew cabins accommodate a professional team of five to six, and a sleek, modern interior design amplifies the sense of space with large windows that bathe every area in natural light. Life on board flows seamlessly from a spacious main salon with generous seating and an advanced entertainment system to the open air pleasures of a flybridge featuring sun loungers, ample seating and a well sited bar, while the aft deck invites alfresco dining with a dedicated table and lounge zone, and a hydraulic swim platform and a capacious garage stand ready for tenders and a full complement of water toys. Refined under the stewardship of an experienced yachtsman and professional crew, this Pershing 108 radiates meticulous

customization and attention to detail, with state of the art navigation and entertainment suites harmonizing with high end materials and furnishings to underscore a yacht conceived for thrilling passages and indulgent relaxation in equal measure.
