OVERVIEW

****CHANTICLEER: A Classic Masterpiece in the World of Yachting****

CHANTICLEER is a true testament to the grandeur and sophistication of yachting, a vessel rich in history and artistry. Originally commissioned by Ogden Phipps and named ****BUCKPASSER**** after one of his renowned racehorses, CHANTICLEER was expertly crafted by ****Jack Hargrave****. At her debut, she was the largest yacht constructed by Burger Boat Company and the first to boast a helipad, marking a significant achievement in the shipyard's illustrious history. In 1986, CHANTICLEER embarked on a new journey when she was acquired by the iconic singer, actress, and philanthropist ****Frances Langford****. A devoted yachtswoman, Ms. Langford added a cockpit to indulge her passion for fishing, enhancing the yacht's adaptability. For nearly twenty years, she hosted friends, family, and dignitaries aboard, transforming CHANTICLEER into a floating haven of joy and hospitality until her passing in 2005. Since then, CHANTICLEER has been under the care of selective owners, each committed to maintaining her legacy through diligent upkeep, thoughtful enhancements, and meticulous attention to detail. In 2006, she underwent a comprehensive multimillion-dollar two-year renovation. Her latest owner, who acquired her in 2023, has implemented significant refurbishments, ensuring she remains in pristine condition. These improvements elevate CHANTICLEER to a level that respects her rich history while providing contemporary comfort and reliability. Now, CHANTICLEER is poised for her next adventure. With her current owner seeking to purchase a larger yacht, this legendary vessel is available for sale. This is a rare opportunity to own a piece of yachting heritage—a yacht that captures the elegance of a past era with the luxury and functionality expected today. Whether navigating serene waters or entertaining guests with timeless elegance, CHANTICLEER is more than just a yacht—she is a legacy. For those who appreciate history, craftsmanship, and distinction, CHANTICLEER awaits her next steward to continue her remarkable

voyage.
