OVERVIEW

The 2016 Pershing 108 is the embodiment of Italian flair, blistering performance, and sumptuous living, all composed into a single alluring yacht. Built by the renowned Pershing yard, this 32.9 metre luxury motor yacht marries the exhilaration of a sport yacht with the refinement of a performance superyacht, its sleek silhouette and assertive lines speaking unmistakably of Pershing DNA. Propelled by three robust MTU 16V 2000 M94 engines, she cruises with effortless poise at 35 knots and can unleash a heart racing top speed of 42.5 knots, placing her among the fastest open yachts in her category, while advanced hull engineering ensures exceptional stability, razor sharp handling and confidence at speed.

Her accommodation is crafted for both elegance and flexibility, welcoming up to 8 guests across 4 beautifully appointed cabins, including a generous full beam master suite, a VIP stateroom, and twin cabins that convert to doubles to suit varying needs. Professional service is supported by separate crew quarters for up to 5 in 3 cabins, preserving privacy and delivering discreet hospitality befitting a high performance yacht. The galley is specified to a gourmet standard with Miele equipment and Gaggenau refrigeration, and an immersive entertainment system completes the onboard experience, while a Seakeeper stabilizer guarantees serene passages and calm anchorages.

Navigation and vessel management rest in capable hands with Furuno electronics, a KVH satellite system and Naviop integrated controls providing reliable, intuitive operation. Practical and luxurious touches abound, from a Besenzoni passerelle and Condaria air conditioning to a Williams 505 tender for elegant shore access, all reinforcing her identity as a planing superyacht built without compromise. Privately owned and lying in Salerno, Italy, this Pershing 108 represents a rare chance to acquire an iconic, high performance motor yacht that fuses speed, style and comfort.
