OVERVIEW

The 33.53 metre luxury motor yacht JANETTE unites Italian elegance with contemporary naval engineering, her lines revealing a refined silhouette across a 7.2 metre beam and a 2.0 metre draft. Constructed in GRP fiberglass and registering 219 GT, she was completed at the celebrated Riva shipyard and delivered in 2020, with exterior styling penned by Mauro Micheli that reinforces her quintessential Italian character. Accommodation for up to 10 guests is arranged across five beautifully appointed cabins, while propulsion comes from twin MTU V16 2000 M96L engines, allowing a comfortable cruise at 21 knots and a top speed of 26 knots.
