OVERVIEW

Sanlorenzo's signature in semi-displacement yacht architecture is exemplified by M/Y Bonita II, a Sanlorenzo SD112 presented in superb condition after having been privately owned from new and cared for by just two custodians since her 2014 delivery.

This elegant superyacht arrives with an extensive options list that elevates her presence and performance: the upgraded MTU 12V engine package, exterior teak overheads and door frames, a circular sliding door to the skylounge, a dedicated gym cabin complete with steam room, and a main-deck salon augmented by a side balcony with a matching sliding door.

Her efficient semi-displacement hull marries long-range economy with dynamic capability, consuming just 70 litres per hour at 10 knots while comfortably cruising at 14 knots and capable of reaching a top speed of 18 knots when required.

The thoughtful tri-deck layout places the master suite on the main deck, while three guest cabins lie below—two doubles and one twin—and a generous skylounge brings a relaxed sofa area seamlessly together with the principal dining table to create a social heart for onboard life.

Expansive exterior living spaces flow through the decks and culminate on the sun deck, which is appointed with a jacuzzi for effortless open-air enjoyment.

Motor Yacht Bonita II is an exceptional Mediterranean cruiser, offering genuine blue-water capability wrapped in refined comfort and quiet confidence. A rare VAT-paid SD112 on the market, she is available for viewing at short notice.
