OVERVIEW

ESTANCIA is an exquisitely crafted Intermarine Tri-Deck Motor Yacht, recently rejuvenated with a multi-million dollar refurbishment. This yacht for sale has had just two owners, with the current owner cherishing it for the past 13 years, ensuring meticulous upkeep with no expense spared. The yacht boasts four luxurious staterooms featuring king-size beds, with the two guest rooms on the lower deck offering the flexibility to convert into twin beds. Each guest stateroom also includes an additional pullman berth. The main deck is uniquely asymmetrical, featuring a full walk-around on the starboard side, allowing seamless movement for both crew and guests from stern to bow. Propelled by dependable 3412 Caterpillar Engines, rated at 671 horsepower, these engines have been expertly rebuilt with only 375 hours logged since their overhaul by Elite Diesel in Kema, Texas. The entire yacht, both inside and out, has been upgraded with LED lighting. This vessel is a must-see and presents an outstanding opportunity for those looking to buy a yacht, making it an ideal choice for charter operations. Explore yacht sales in the current boat location to discover this exceptional offering.
