## OVERVIEW

---

M/Y CHEEKY TIGER is an exemplary member of the celebrated Leopard 34 lineage, a vessel where high-performance exhilaration meets refined Italian aesthetics. Built by Leopard (Arno) and launched in 2004, she received a thoughtful update in 2021 and presents in excellent condition, combining a contemporary, tasteful interior with a dependable mechanical package. Andrea Bacigalupo's sleek, athletic lines are married to a shallow 1.2 m draft, ideal for cruising close to Mediterranean coastlines, while a trio of MTU M91 engines empowers CHEEKY TIGER to exceed 35 knots at top end and to cruise comfortably between 28 and 30 knots.

Inside, Rodriguez Interiors has fashioned a space of measured luxury with custom touches such as distressed oak parquet underfoot. Guest accommodation is arranged for up to 10 people across 4 adaptable staterooms: a full beam master suite, a VIP suite served by a private spiral staircase descending to the cinema lounge, and two twin cabins fitted with Pullman berths. A fifth media lounge can be converted into a double cabin for added flexibility, and crew quarters sleep 6. On deck, expansive sunpads fore and aft invite relaxation, alfresco dining areas cater to convivial evenings, and a large retractable sunroof in the main salon draws light and sea air inside. The yacht is comprehensively equipped with water toys, including a Ribeye tender (available through separate negotiation), Seabobs, wakeboards, snorkeling equipment, and inflatables. Poised as one of the most stylish and fully appointed Leopard 34s on the market, CHEEKY TIGER is a striking synthesis of speed, sophistication, and luxury, an outstanding option for buyers in the current boat location.

M/Y CHEEKY TIGER является выдающимся представителем культовой серии Leopard 34, органично сочетая захватывающие ходовые характеристики с утончённым мастерством, которым славятся итальянские верфи. Судно было сдано в эксплуатацию в две тысячи четвертом году верфью Leopard (Arno) и прошло капитальный рефит в две тысячи двадцать первом году; в результате яхта представлена в отличном состоянии, с элегантным и современным интерьером и подтверждённой надёжной механической базой. Спроектированная уважаемым Andrea Vacigalupo, CHEEKY TIGER отличается изящной спортивной архитектурой и мелководным осадком 1.2 метра, что делает её идеальной для прогулок у берегов Средиземного моря. Яхта оснащена тремя двигателями MTU M91, что позволяет развивать впечатляющую максимальную скорость более тридцати пяти узлов при комфортной крейсерской скорости двадцать восемь — тридцать узлов. Интерьер, выполненный Rodriguez Interiors, демонстрирует тщательное внимание к деталям и авторские материалы, такие как состаренный дубовый пол. Для гостей предусмотрено размещение до десяти человек в четырёх многофункциональных каютах, включая главную каюту на всю ширину корпуса, престижную каюту с приватной винтовой лестницей, ведущей в кинозал, а также две двухместные каюты с дополнительными откидными койками. Пятый медиалаунж может быть трансформирован в двухместную каюту, обеспечивая гибкие варианты размещения. Жилые помещения экипажа рассчитаны на шесть человек. На палубе гостей ожидают просторные лежаки на носу и на корме, обеденная зона на открытом воздухе и большой раздвижной панорамный люк в главном

салоне, наполняющий интерьер естественным светом и морским бризом. Яхта укомплектована полным набором водных развлечений, включая Ribeye тендер, доступный по отдельной договорённости, Seabobs, вейкборды, снаряжение для снорклинга и надувные игрушки, что гарантирует нескончаемое удовольствие на воде.
