OVERVIEW

Launched in 2018 and conceived by Francesco Paszkowski, the Sanlorenzo SD112 is a 34.10 m tri deck motor yacht whose semi displacement flybridge form exudes poise, refinement and artisanal finish. This superyacht offers generous volumes and thoughtful detailing, accommodating up to 11 guests across five en suite staterooms with a level of comfort and privacy suited to both intimate voyages and charter service.

On the main deck a luminous salon, furnished with deep, inviting sofas, flows without interruption into a formal dining area for eight, while forward the Master suite establishes a serene retreat with sweeping views and a sumptuous marble clad bathroom. Below decks two VIP double cabins and two further guest cabins—one fitted with a Pullman berth—each benefit from luxurious stone bathrooms, ensuring every guest enjoys private, considered accommodation.

Privacy is a central tenet of the layout, a discreet staircase separating guest areas from crew quarters to preserve seclusion and service efficiency. A calm, neutral palette is married to parquet soles, rich marbles and bespoke upholstery, blending contemporary restraint with classic yachting elegance. Externally the broad swim platform delivers effortless access to the sea; the main deck aft encourages relaxed socialising on capacious seating; the upper deck aft presents a plush sofa, alfresco dining and a seamless passage into the sky lounge. Above, the sun deck/flybridge claims 360 degree views and is arranged for pleasure and entertaining with sun loungers, a concealed Jacuzzi and a well appointed wet bar.

An exemplar in her class, the SD112 harmonises sumptuous interiors, expansive deck spaces and meticulous build quality, a bluewater cruiser and luxury charter ready yacht that elevates comfort, sophistication and discretion on every passage.
