DETAILED DESCRIPTION

Section name

The BLUPHIRE yacht is a marvel of modern design, seamlessly blending luxury with performance. One of its most striking features is the glass salon, which opens completely on both ends, redefining the concept of indoor/outdoor living. This yacht measures an impressive 34 meters in length, with a waterline length of 27 meters, a beam of 6.9 meters, and a draft of 1.3 meters. With a gross tonnage of 230GT, it offers ample space and comfort for its passengers.

Powering the BLUPHIRE are two robust MAN V8 1000HP engines, allowing for a cruising speed of 14 knots and a maximum speed of 16 knots, with a range of 450 nautical miles at cruising speed. For those who desire higher performance, an alternative engine arrangement featuring two MTU 16V 2000 M96L engines is available. This setup can propel the yacht to a cruising speed of 25 knots and a maximum speed of 35 knots, with a range of 370 nautical miles at cruising speed.

Designed with the quintessential Mediterranean lifestyle in mind, the BLUPHIRE emphasizes outdoor living and water activities. Its sleek, elegant lines are unhampered by the addition of a flybridge, making it the sports car of the sea. The yacht is equipped with sun beds, easy water access, space for water toys, a bar, and a well-laid-out living area that can be enjoyed both at anchor or underway.

Great attention has been paid to natural illumination and innovative lighting systems, as well as the use of new materials and natural air circulation. The main living area is welcoming, featuring a comfortable lounge, a dining area to starboard, and a bar to port. The pilot house is open and inviting, making it a favorite spot for guests even when not at the helm.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
