OVERVIEW

Sleek aesthetics and a streamlined silhouette hint at exhilarating performance, and with an impressive 5,500 hp powering the engine room, your expectations will be exceeded. The Ferretti 112 is not just a yacht; it's a fast, long-range cruising vessel designed for those who desire both luxury and adventure. This yacht for sale seamlessly blends spacious, opulent accommodations with the capability to travel far and the speed to reach your destination swiftly.

The owner's suite is situated at the front of the main deck, framed by expansive windows that offer stunning views and an abundance of natural light. This is undoubtedly the ideal retreat for any cruising enthusiast.

Two Kay features four en suite double guest cabins on the lower deck, comprising two twin cabins and two doubles, ensuring comfort for all guests.

The extended upper deck enhances the 112's elegant profile while providing a functional space, complete with a generous sofa and ample sunbathing areas surrounding the hot tub. The forward section can be shaded by a bimini top and two robust umbrellas, making it suitable for use while underway. This design allows the upper helm station and adjacent seating area to be practical for guests during extended journeys.

These expansive areas are complemented by a surprisingly spacious engine room. Equipped with standard 2,775-hp MTU V12 engines, this yacht boasts a powerful setup that thrives in a generously sized engine compartment. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises both luxury and performance.

DETAILED DESCRIPTION

Salon

The salon of this exquisite yacht is a testament to luxury and comfort, designed to provide an unparalleled experience on the open seas. As you step inside, you are greeted by an expansive space that seamlessly blends elegance with functionality. The interior is adorned with high-quality materials, offering a warm and inviting atmosphere that is perfect for both relaxation and entertainment. Large panoramic windows flood the salon with natural light, enhancing the sense of openness and providing breathtaking views of the surrounding seascape. The seating area is thoughtfully arranged to encourage conversation and socializing, featuring plush sofas and armchairs that promise comfort during long voyages. State-of-the-art entertainment systems are discreetly integrated, ensuring that guests can enjoy their favorite music or movies with ease. The salon's design is a harmonious blend of modern aesthetics and timeless sophistication, making it a perfect retreat for discerning yacht owners and their guests.

Engine room

The engine room of this remarkable yacht is a powerhouse of advanced engineering and precision, designed to ensure optimal performance and reliability on the high seas. At its heart are two MTU 4000 series engines, each delivering an impressive 2775 horsepower, providing the vessel with the strength and speed needed for any maritime adventure. Complementing these engines are two Kohler generators, each with a capacity of 50 kilowatts and operating at 380 volts, ensuring a steady and reliable power supply for all onboard systems.

The yacht is equipped with a Mannesmann Rexroth system that includes bow and stern thrusters, as well as stabilizers, offering exceptional maneuverability and stability even in challenging conditions. For those long journeys, the engine room houses two Idromar water makers, ensuring a continuous supply of fresh water. Fuel management is handled by an Alfa Laval fuel transfer system, which guarantees efficient and safe fuel distribution throughout the vessel.

To maintain a comfortable environment for all guests, a Condaria air conditioning unit is installed, providing climate control that can be adjusted to suit any preference. This engine room is a testament to the yacht's commitment to excellence, combining power, efficiency, and cutting-edge technology to deliver an unparalleled yachting experience.

Electronics and navigational equipment

The electronics and navigational equipment on this yacht are designed to provide the utmost in precision, safety, and connectivity, ensuring a seamless journey across the seas. At the core of the navigation system is the Furuno 72-mile radar, complemented by the Furuno CMAP radar and depth sounder, which together offer unparalleled situational awareness and depth measurement capabilities. The Seiwa chart plotter and Simrad autopilot work in harmony to guide the vessel with accuracy and ease, while the Furuno Navigator GPS ensures precise positioning at all times.

Communication is robust and reliable, with a Furuno DSC VHF and a Sailor VHF providing clear and consistent contact. The yacht is also equipped with a Furuno SSB and a Furuno DFAX Navtex, enhancing long-range communication and weather information reception. The San Giorgio Sein monitoring system keeps a vigilant eye on all critical systems, ensuring everything operates smoothly.

For weather monitoring, the Raytheon anemometer and gauges provide

accurate wind and atmospheric data, while the Raytheon loudhailer ensures effective communication across the vessel. Connectivity is state-of-the-art, with high-speed internet access via the satellite E-PAK Vsat system and a Sat Net modem, all distributed through a Netgear WIFI router for seamless online access. The yacht also features two Navisystem Sat Tel units for satellite communication.

Security and surveillance are paramount, with a CCTV system comprising five cameras strategically placed to monitor the yacht's surroundings. This comprehensive suite of electronics and navigational equipment ensures that every journey is safe, efficient, and connected, providing peace of mind to all on board.

Tenders and toys

The tenders and toys aboard this yacht are designed to elevate your maritime adventures, offering a perfect blend of excitement and leisure. At the forefront is the Williams 445 tender, powered by a robust 98 horsepower jet engine, ensuring swift and smooth transfers to and from the yacht. Complementing this is the Pershing RIB, equipped with an 8 horsepower engine, ideal for leisurely exploration of nearby coves and beaches.

For those seeking thrills on the water, the Yamaha 1200 wave runner promises exhilarating rides across the waves, delivering both speed and agility. When it's time to relax, the 8-person floating island provides a serene oasis, perfect for sunbathing or socializing with friends and family. The yacht also features two donuts, offering endless fun for guests of all ages as they glide across the water.

For a more tranquil experience, two inflatable kayaks are available, allowing you to paddle at your own pace and explore the surrounding waters up close. This diverse collection of tenders and toys ensures that every moment spent on the yacht is filled with enjoyment and adventure, catering to all preferences

and creating unforgettable memories on the open sea.
