OVERVIEW

Perched at the zenith of Riva's elegance and engineering, the 112-foot Dolce Vita Super is a planing motor yacht that extends 34.38 m overall with a beam of 7.27 m, marrying sculptural form with purposeful scale. Inside and out she caters to refined living at sea, offering five lavish guest suites and accommodation for four crew, gracious alfresco lounges, and an effortless connection to the sea through an ingenious beach club and retracting terraces that fold down to the water's edge. Powered by twin MTU 16V 2000 M96L engines, each rated at 2,638 hp, she delivers a top speed of 25.5 knots, a cruising speed of 23 knots and a range of 430 nm, a celebration of Italian craftsmanship that exudes poise, pace and prestige.

DETAILED DESCRIPTION

Summary

The Riva 112' DolceVita Super represents the latest evolution of Riva's iconic flybridge lineage, a consummate synthesis of Italian design, advanced engineering and enduring luxury; measuring 34.38 m (112' 10") in length with a beam of 7.27 m (23' 10"), she offers exceptional volume and versatility refined for modern yachting. Configured with five guest cabins and accommodation for four crew, and conceived to host up to twenty people onboard in comfort and style, the yacht balances generous social spaces with private retreats. Propelled by a pair of MTU 16V 2000 M96L engines, each delivering 2,638 hp, the DolceVita Super attains a top speed of 25.5 knots while cruising serenely at 23 knots and providing a range of 430 nautical miles, supported by a fuel capacity of 15,300 litres and water capacity of 3,000 litres to enable effortless longer passages. Advanced stabilization systems and acoustic insulation further elevate onboard comfort both underway and at anchor. Her lifestyle architecture brings the sea ever closer: a 35 sqm beach club with fold-out terraces unfolds at the waterline, while the flybridge and bow lounge create distinct open-air entertaining zones; flexible layouts allow owners to tailor dining, lounging and social areas, and interiors finished in high-gloss rosewood and black leather express unmistakable Riva sophistication. Built with an unladen displacement of 130 tonnes and a laden displacement of 150 tonnes, the yacht meets RINA Class certification standards for unrestricted navigation, ensuring safety, durability and global cruising capability.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
