OVERVIEW

Champagne and Caviar, a 2003 Custom Line 112, is a planing superyacht of measured elegance, marrying expansive contemporary interiors with assured performance and a layout designed for versatility—equally at home on private passages or in the charter market. This motor yacht's established charter record reflects its capacity to deliver comfort, sophistication and lively entertainment to up to 12 guests accommodated across five staterooms. The accommodation is anchored by a generous full-beam master suite and four further guest cabins, one of which converts effortlessly into a dedicated gym or massage suite, providing wellness options without sacrificing sleeping capacity. On the main deck a spacious salon flows into an intimate yet refined dining area, while aft the deck is appointed with an elegant al fresco table for open-air dining. The flybridge motor yacht arrangement creates a superb social hub: a lounge, dining table, bar and TV combine with abundant seating and sunning areas across the decks to offer multiple convivial spaces. Forward, broad foredeck sunpads invite relaxed lounging, and a large tender garage opens to a beach-style platform for effortless water access. Crew quarters for six ensure polished, discreet service around the clock.

Equipment aboard includes a custom Antudo 23 tender, a jetski and a selection of water toys to enhance on-the-water enjoyment. Propulsion is supplied by twin MTU 16V 2000 M91 engines, with major works completed in 2023 to secure dependable, efficient operation. Comfort is further enhanced by fin stabilizers that function both underway and at zero speed, delivering superior onboard steadiness.

Performance figures underline the yacht's practical capability: a cruising speed of 13 knots and a maximum speed of 24 knots. Recent interior and exterior aesthetic upgrades have elevated her crisp, modern elegance, refining both living spaces and exterior lines.

With proven charter appeal, a flexible, family-friendly layout, extensive amenities and attentive maintenance, Champagne and Caviar stands out among Custom Line 112s.
