OVERVIEW

Mazu Yachts is excited to present the 112, a stunning mid-size addition to the DS collection. Following the successful launch of the 92 DS series last year, the design journey for the 112DS model has now reached completion. This series will soon be complemented by the upcoming 132DS model.

The 112DS showcases a sophisticated and contemporary aesthetic crafted by RedYacht. The main deck boasts a generous saloon, providing an inviting space for relaxation. Accommodations are designed for up to 10 guests across 5 luxurious cabins, which include 4 guest cabins and a lavish master suite. The exterior is thoughtfully arranged for leisure, featuring numerous lounging and sunbathing spots, along with an exquisite beach club.

Equipped with 4x Volvo Penta IPS 1350 (4x 1000HP) engines, this yacht glides effortlessly at a cruising speed of 16 knots, with a top speed of 21 knots. Onboard comfort is assured with a state-of-the-art zero-speed stabilizing system. For those interested in yacht sales in the current boat location, this is an exceptional opportunity to buy a yacht that embodies elegance and performance.

DETAILED DESCRIPTION

Section name

Mazu Yachts proudly presents the 112, a mid-size marvel in the DS range, following the successful launch of the 92 DS series last year. The design process for the 112DS model has been meticulously completed, setting the stage for the upcoming 132DS model in this distinguished series. Crafted with elegance and modernity by RedYacht, the 112DS boasts a spacious main saloon that exudes luxury and comfort. Onboard accommodation is thoughtfully designed for up to 10 guests, featuring 5 cabins that include 4 guest cabins and a lavish master cabin.

The exterior of the yacht is a haven for relaxation, offering multiple lounging and tanning areas, complemented by a stunning beach club that invites you to unwind in style. The 112DS is powered by four Volvo Penta IPS 1350 engines, each delivering 1000HP, allowing the yacht to cruise comfortably at 16 knots and reach a maximum speed of 21 knots. Ensuring a smooth and enjoyable journey, the yacht is equipped with a zero-speed stabilizing system, enhancing onboard comfort even when anchored.
